The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 833-743-3221 or visit join.collectivehealth.com/ensign. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>www.healthcare.gov/sbc-glossary</u> or call 833-743-3221 to request a copy.

Important Questions	Answers	Why This Matters
What is the overall <u>deductible</u> ?	For in- <u>network</u> services: \$5,000/Individual, \$10,000/Family For out-of- <u>network</u> services: \$10,000/Individual, \$20,000/Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the <u>plan</u> begins to pay.
Are there services covered before you meet your <u>deductible</u> ?	Yes. In- <u>network preventive care</u> and certain other services are covered before you meet your <u>deductible</u> . See services marked " <u>Deductible</u> does not apply" in the Limits, Exceptions & Other Important Information column of the Common Medical Events table below.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> <u>services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits.
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	For in- <u>network</u> services: \$7,000/Individual, \$14,000/Family For out-of- <u>network</u> services: \$14,000/Individual, \$28,000/Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. If you are an individual on a family plan, you will be responsible for meeting the overall family <u>deductible</u> , even if you have met your individual <u>out-of-pocket limit</u> , before the plan begins to pay for <u>prescription drugs</u> .
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billed charges, and health care this <u>plan</u> doesn't cover are not included.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network provider</u> ?	Yes. See join.collectivehealth.com/ensign or call 833-743-3221 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

A	All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
