

Care From Anywhere— Without Ever Leaving Home

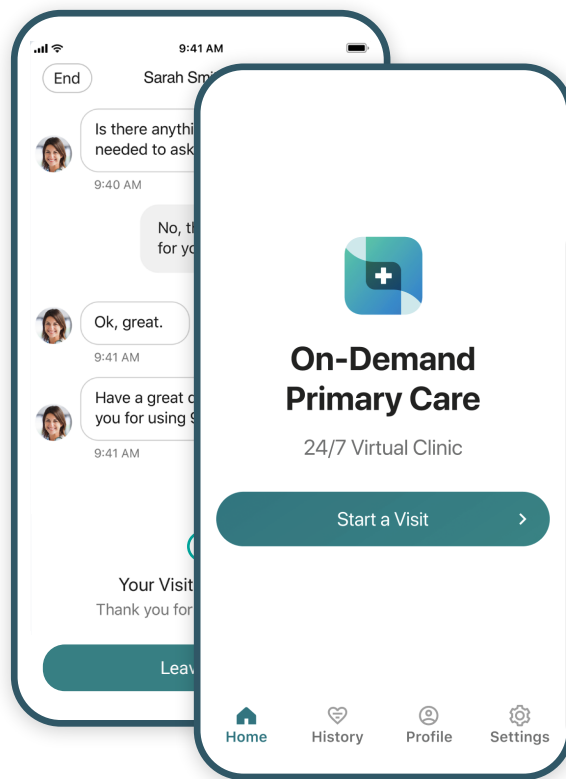

98point6® is now available.

98point6 is on-demand, text-based primary care from the convenience of an app. Our board-certified physicians can:

- ✓ Diagnose and treat
- ✓ Order prescriptions and labs as necessary
- ✓ Provide answers and peace of mind

Our doctors are here 24/7 to deliver diagnosis and treatment without setting foot in a doctor's office, ER or urgent care—avoiding unnecessary exposure.

Visits are available to you and your family ages 1+ at little to no cost.
