### COVERAGE INFORMATION & PORTABILITY OFFER

Critical illness insurance pays a cash benefit if you or an insured dependent (spouse/partner or child) are diagnosed with a covered illness. The benefits are paid in lump sum amounts to you, and can be used to pay for health care expenses not covered by your major medical insurance, help maintain your standard of living while out of work, or however you choose. Critical illness insurance through The Hartford's group critical illness portability policy is available in certain circumstances when insurance under a group critical illness insurance plan offered by an employer (or other group) ends.

Under The Hartford's group critical illness portability policy, you have a choice of three critical illness plans each with varying levels of benefits. This choice allows you the flexibility to enroll for the coverage that best meets your current financial protection needs. Benefit amounts for covered illnesses are based on the coverage amount in effect for you or an insured dependent at the time of diagnosis.

### COVERAGE AMOUNTS

The coverage amount that you (the primary insured) can request under the group critical illness portability policy must be equal to or less than the coverage amount that was in effect for you under the prior group plan(s). Your coverage amount cannot be less than \$5,000 and must be an increment of \$5,000. Your coverage amount reduces by 50% when you reach age 70. (If you don't know your coverage amount under the prior group plan(s), contact The Hartford toll-free at 877-320-0484 for assistance.)

The coverage amount for your insured spouse/partner (if applicable) under the portability policy is 50% of your coverage amount. (When your coverage amount reduces at age 70, your spouse/partner's amount also reduces.) The coverage amount for any insured dependent child(ren) is \$5,000. Dependent coverage is only available if a coverage tier including dependent(s) is elected under the portability policy.

## ASKED & ANSWERED

**Who is eligible?** Insurance through The Hartford’s group critical illness portability policy is available when a qualifying event under a group critical illness insurance plan offered by an employer (or other group) ends. Please see the portability provision in the prior group plan for specific details.

Anyone insured under the prior group plan at the time of the qualifying event is eligible under the portability policy, subject to the following: 1) the primary insured under the portability policy must be less than age 80 to be eligible; and 2) your dependent child(ren) must be under age 26 to be eligible. Your coverage tier may change (from what you had under the prior group plan) based on who is eligible when you request portability.

**Who is the “primary insured?”** If the employee/member under the prior group plan is eligible to elect portability, then the employee/member is the primary insured under the portability policy. If the spouse/partner under the prior group plan is eligible to elect portability (in the event of divorce/legal separation from or death of the employee, then the spouse/partner is the primary insured under the portability policy.

### **When can I request coverage under the portability policy?**

Your request form and initial premium payment should be submitted within 31 days from the date group critical illness insurance under the prior group plan ends. An extension of the request period is available in certain circumstances. In any event, a request received more than 91 days after group critical illness insurance under the prior plan ends will not be accepted.

**How much does this insurance cost?** Monthly premiums for each available coverage amount and tier are shown in the Coverage & Premium Worksheets that follow for each of the three plans, Plan 1, Plan 2 and Plan 3. Remember, the coverage amount you elect must be equal to or less than the coverage amount that was in effect for you under the prior group plan(s).

**Am I guaranteed coverage?** This insurance is guaranteed issue coverage – it is available without having to provide information about your or your family’s health.<sup>3</sup> All you have to do is elect the coverage to become insured.

**How do I pay for this insurance?** Your initial quarterly premium payment is payable via check or money order at the time you request coverage, as indicated on the portability request form. Upon receipt of subsequent bills, you will have the option to continue receiving paper bills and paying via check/money order, or you can choose to have future premiums paid with automated bank draft.

**When does this insurance begin?** If your request form and initial premium payment are accepted, insurance under the portability policy begins the first day of the month following the day group critical illness insurance under the prior group plan ends. Your initial quarterly premium payment is applied from this date.

**When does this insurance end?** This insurance will end when the earliest of the following occurs:

- § The date the policy terminates
  - § The date the required premium is due but not paid
  - § The last day of the month following the date you request we terminate coverage
  - § The date you again become insured under the prior group plan (ex. if you return to work with your former employer)
  - § The last day of the month following the date a covered person enters service in the armed forces or units auxiliary to them
  - § The first day of the year following the date you attain age 80
- Insurance for your dependent(s) will also end when the earliest of the following occurs:
- § The last day of the month following the date a child no longer meets the definition of “dependent child” within the certificate
  - § The last day of the month following the date that you and your spouse are no longer legally married or legally terminate your relationship

**A SERIOUS ILLNESS CAN BE DEVASTATING.  
THE RIGHT INSURANCE COVERAGE CAN HELP.**

## LIMITATIONS & EXCLUSIONS

The benefits payable are based on the insurance in effect on the date of the diagnosis of a covered illness, subject to the definitions, limitations, exclusions and other provisions of the policy.

**Benefit Separation Periods.** If a covered person is diagnosed with a covered illness, and is subsequently diagnosed with another covered illness, the following separation periods apply between benefit payments. If the subsequent diagnosis is for: 1) A different, non-related covered illness than the first diagnosis (e.g. a cancer illness then a vascular illness), then no separation period applies; 2) A covered illness that is related to the first (e.g. two vascular illnesses, like heart attack and stroke), then a 6 month separation period applies; 3) The same covered illness as the first (e.g. two heart attacks) as allowed by the Recurrence Benefit, then a 12 month separation period applies.

**Pre-Existing Condition Limitation.** We will not pay a benefit or any increase in benefits for any critical illness for a pre-existing condition, unless at the time of a positive diagnosis a covered person has been continuously insured under the policy or any prior group plan for 12 months (6 months for residents of CO, ID and SD). Pre-existing condition, as used in this limitation, means any critical illness for which medical care is received within the 12 month period (6 months for residents of ID, ME, MT and NH) prior to the effective date of insurance for a covered person or prior to the effective date of any increase in coverage for a covered person, under the policy or any prior group plan.

**Exclusions.** This insurance does not provide benefits for any loss that results from or is caused by:

- § War or act of war, declared or undeclared
- § A covered person's participation in a felony, riot or insurrection
- § A covered person's engaging in any illegal occupation
- § A covered person's service in the armed forces or units auxiliary to them

**General Limitations.** Benefits under the policy are not payable for any covered illness:

- § Diagnosed prior to the effective date of insurance for a covered person (except for newborn children)
- § Diagnosed during an applicable benefit separation period
- § For which a covered person has already received a benefit payment under the policy, unless the covered illness is included in a recurrence provision
- § For which a covered person has already received a benefit payment under the recurrence provision

In addition, benefits are not payable for any critical illness not included as a covered illness in your certificate.
