

# Claim resources for those impacted by recent wildfires

## Alert for Farmers GroupSelect policyholders in Southern California

Our thoughts are with our policyholders in southern California, and we are ready to assist anyone impacted by the wildfires. We're here to help. Claims experts are available to assist with filing a claim, reviewing coverages, securing shelter, issue advances for immediate expenses or coverage damages, and help guide customers through safe temporary repairs.

### **In case customers need to file a claim**

Submitting a claim online is fast and simple – it takes less than 5 minutes:

- [File online](#)
- Download the Farmers® Mobile app on [Apple iOS](#) or [Android](#) to submit a claim.

If customers need additional support:

- Call our 24-hour Claim Center at 800-854-6011 or 877-RECLAMO for Spanish-language claim assistance.

Click [here](#) to check the status of an existing claim.

### **Your safety is important to us**

If you and your family need to evacuate, you can [locate a shelter](#) through the American Red Cross.

In case there is another wildfire in the future, it's important to be prepared. Visit our [Plan and Prep](#) resources on farmers.com for some tips to get ready and put your mind at ease.

Farmers is here for you and ready to help.
