How To File A Claim

There is no paperwork to submit for Covered Dental Services received from a Participating Provider. Pay Your share of the cost, if any, Your provider will submit a claim to Us for reimbursement. Claims for services received from a Non-Participating Provider can be submitted by the provider if the provider is able and willing to file on Your behalf. If Your plan provides coverage when care is received only from a Participating Provider, You may still have claims for services received from a Non-Participating Provider. For example, when Emergency Services are received from a Non-Participating Provider, You should follow the claim submission instructions for those claims. Claims can be submitted by the provider if the provider is able and willing to file on Your behalf. If the provider is not submitting on Your behalf, You must send Your completed claim form and itemized bills to the claims address listed on the claim form.

You may get the required claim forms from the website listed on Your identification card, if You received one, or by calling Customer Services using the toll-free number listed below.

Combined Dental Option Plans

Important Information about Your Dental Plan

When You elected Dental Insurance for Yourself and Your Dependents, You elected one of the two options offered:

- Cigna Dental Care; or
- Cigna Dental Preferred Provider

Details of the benefits under each of the options are described in the following pages.

When electing an option initially or when changing options as described below, the following rules apply:

- You and Your Dependents may enroll for only one of the options, not for multiple options at the same time.
- Your Dependents will be insured only if You are insured and only for the same option.

Change in Option Elected

If Your plan is subject to Section 125 (an IRS regulation), You are allowed to change options only at Open Enrollment or when You experience a life status change.

If Your plan is not subject to Section 125, You are allowed to change options at any time.

Consult Your plan administrator for the rules that govern Your plan.

Effective Date of Change

If You change options during open enrollment, You (and Your Dependents) will become insured on the Effective Date of the plan. If You change options other than at open enrollment (as allowed by Your plan), You will become insured on the first day of the month after the transfer is processed.

Cigna Dental Care: Choice of Dental Office

If You elect Cigna Dental Care You must select a Network General Dentist and an alternate provider from a list provided by CDH. CDH will notify You if Your first choice of provider is not available and You will be assigned to the alternate provider. Each insured Dependent may select their own Network General Dentist.

Dental coverage only applies if:

- the dental service is received from Your Network General Dentist; or
- Your Network General Dentist refers You to a Specialist approved by CDH; or
- the service is otherwise authorized by CDH; or
- the treatment is an Emergency Service as specified in Your Certificate.

A transfer to a different Network General Dentist takes effect on the first day of the month after it is authorized by CDH.

The following pages describe Cigna Dental Preferred Provider benefits underwritten by Cigna Health and Life Insurance Company.

Covered Dental Expenses

Dental services described in this section are Covered Dental Expenses when such services are:

- Medically Necessary and/or Dentally Necessary (refer to the section entitled Definitions);
- Provided by or under the direction of a Dentist or other appropriate provider as specifically described;
- Covered after Your Deductible, if any, has been met;
- Eligible for reimbursement because the maximum benefit in The Schedule has not been exceeded;
- The charge does not exceed the amount allowed under the Alternate Benefit Provision; and
- Not excluded as described in the section entitled General Limitations and Expenses Not Covered.

Alternate Benefit Provision

If more than one Covered Dental Service will treat a dental condition, payment is limited to the least costly service provided it is a professionally accepted, Medically Necessary and/or Dentally Necessary, and appropriate treatment.

If the Covered Person requests or accepts a more costly Covered Dental Service, the Covered Person is responsible for expenses that exceed the amount covered for the least costly service. Therefore, We recommend Predetermination of Benefits before major treatment begins.

Predetermination of Benefits

Predetermination of Benefits is a voluntary review of a Dentist's proposed treatment plan and expected charges. It is not preauthorization of service and is not required. The treatment plan should include supporting pre-operative radiographic images and other diagnostic materials as requested by Our dental consultant. If there is a change in the treatment plan, a revised plan should be submitted. We will determine Covered Dental Expenses for the proposed treatment plan. If there is no Predetermination of Benefits, We will determine Covered Dental Expenses when We receive a claim.

Review of proposed treatment is advised whenever extensive dental work is recommended when charges exceed \$200. Predetermination of Benefits is not a guarantee of a set payment. Payment is based on the services that are actually delivered and the coverage in force at the time services are completed.

The following section lists Covered Dental Services. We may agree to cover expenses for a service not listed. To be considered the service should be identified using the American

Dental Association Uniform Code of Dental Procedures and Nomenclature, or by description and then submitted to Us.

Payment Option

If You or any one of Your Dependents, while insured for these benefits, incurs Covered Dental Expenses, We will pay an amount determined as follows:

Dental PPO - Participating and Non-Participating Provider Payment

Plan payment for a Covered Dental Service delivered by a Participating Provider is the Contracted Fee for that procedure, times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Contracted Fee.

Plan payment for a Covered Dental Service delivered by a Non-Participating Provider is the Maximum Reimbursable Charge for that procedure times the benefit percentage that applies to the class of service, as specified in The Schedule. The Covered Person is responsible for the balance of the Non-Participating Provider's actual charge.

HCDFB-DEN133

06-21

Missing Tooth Limitation

The amount payable for the replacement of teeth that are missing when a person first becomes insured is 50% of the amount payable for the replacement of teeth that are extracted after a person has dental coverage.

This payment limitation no longer applies after 24 months of continuous coverage.

Cigna Dental Preferred Provider Insurance

The Schedule

Benefits For You and Your Dependents

The Dental Benefits Plan offered by Your Employer includes two options. When You select a Participating Provider, this plan pays a greater share of the cost than if You were to select a Non-Participating Provider.

Emergency Services

The Benefit Percentage for Emergency Services incurred for charges made by a Non-Participating Provider is the same Benefit Percentage as for Participating Provider charges.

Deductibles

Deductibles are expenses to be paid by You or Your Dependent. Deductibles are in addition to any Coinsurance. Once the Deductible maximum in The Schedule has been reached You and Your family need not satisfy any further dental deductible for the rest of that year.

Participating Provider Payment

Services are paid based on the Contracted Fee that is agreed to by the provider and Us. Based on the provider's Contracted Fee, a higher level of plan payment (shown below as "The Percentage of Covered Expenses the Plan Pays") may be made to a Participating Provider resulting in a lower payment responsibility for You. To determine how Your Participating Provider compares refer to Your provider directory.

Provider information may change annually; refer to Your provider directory prior to receiving a service. You have access to a list of all providers who participate in the network by visiting www.mycigna.com.

Non-Participating Provider Payment

Benefit Payment

Services are paid based on the Maximum Reimbursable Charge. For this plan, the Maximum Reimbursable Charge is calculated at the 90th percentile. See definition section for further explanation of Maximum Reimbursable Charge.

V1

Coordination of Benefits

This section applies if You or any one of Your Dependents are covered under more than one Plan and determines how benefits payable from all such Plans will be coordinated. You should file all claims with each Plan. Any other health coverage plans for You or any of Your covered Dependents are taken into account when benefits are paid.

Coverage under this Plan plus another Plan will not guarantee 100% reimbursement.

Definitions

For the purposes of this section, the following terms have the meanings set forth below:

- Plan.** A Plan is any of the following that provides benefits or services for medical or dental care or treatment. Plan includes group and non-group insurance contracts, health maintenance organization (HMO) contracts, Closed Panel Plans or other forms of group or non-group type coverage (whether insured or uninsured); and medical or dental benefits under group or individual automobile contracts; Medicare, Medicaid or any other federal governmental plan, as permitted by law.

Each Plan or part of a Plan which has the right to coordinate benefits will be considered a separate Plan.

- B. **Closed Panel Plan.** A Plan that provides medical or dental benefits primarily in the form of services through a panel of employed or contracted providers, and that limits or excludes benefits provided by providers outside of the panel, except in the case of emergency or if referred by a provider within the panel.
- C. **Primary Plan.** The Plan that determines and provides or pays benefits without taking into consideration the existence of any other Plan. A Plan that does not contain a coordination of benefits provision that is consistent with this section is always primary.
- D. **Secondary Plan.** A Plan that determines, and may reduce its benefits after taking into consideration, the benefits provided or paid by the Primary Plan. A Secondary Plan may also recover from the Primary Plan the Reasonable Cash Value of any services it provided to You.
- E. **Allowable Expenses.** The amount of charges considered for payment under the Plan for a Covered Dental Service prior to any reductions due to Coinsurance or Deductible amounts. If We contract with an entity to arrange for the provision of Covered Dental Services through that entity's contracted network of health care providers, the amount that We have agreed to pay that entity is the allowable amount used to determine Your Coinsurance or Deductible payments. If the Plan provides benefits in the form of services, the Reasonable Cash Value of each service is the Allowable Expense and is a paid benefit.

Examples of expenses or services that are not Allowable Expenses include, but are not limited to the following:

- An expense or service or a portion of an expense or service that is not covered by any of the Plans is not an Allowable Expense.
- If You are covered by two or more Plans that provide services or supplies on the basis of Reasonable and Customary fees, any amount in excess of the highest Reasonable and Customary fee is not an Allowable Expense.
- If You are covered by one Plan that provides services or supplies on the basis of Reasonable and Customary fees and one Plan that provides services and supplies on the basis of negotiated fees, the Primary Plan's fee arrangement shall be the Allowable Expense.
- If Your benefits are reduced under the Primary Plan (through the imposition of a higher Coinsurance percentage, a Deductible, and/or a penalty) because You did not comply with Plan provisions or because You did not use a Participating Provider, the amount of the

reduction is not an Allowable Expense. Such Plan provisions include second surgical opinions and precertification of services.

- F. **Custodial Parent.** The parent awarded custody by a court decree or, in the absence of a court decree, is the parent with whom the child resides more than one-half of the Calendar Year, excluding any temporary visitation.

Order of Benefit Determination Rules

A Plan that does not have a coordination of benefits rule consistent with this section shall always be the Primary Plan. If the Plan does have a coordination of benefits rule consistent with this section, the first of the following rules that applies to the situation is the one to use:

- **Employee:** The Plan that covers a person as an Employee shall be the Primary Plan and the Plan that covers a person as a Dependent shall be the Secondary Plan.
- **Dependent:** For a Dependent child whose parents are not divorced or legally separated, the Primary Plan shall be the Plan which covers the parent whose birthday falls first in the Calendar Year.
- For the Dependent of divorced or separated parents, benefits for the Dependent shall be determined in the following order:
 - first, if a court decree states that one parent is responsible for the child's healthcare expenses or health coverage and the Plan for that parent has actual knowledge of the terms of the order, but only from the time of actual knowledge;
 - then, the Plan of the parent with custody of the child;
 - then, the Plan of the Spouse of the parent with custody of the child;
 - then, the Plan of the noncustodial parent of the child; and
 - finally, the Plan of the Spouse of the parent not having custody of the child.
- **Employee in Active Service or laid-off Employee or Retiree:** The Plan that covers You as an Employee in Active Service and Your Dependent shall be the Primary Plan and the Plan that covers You as a laid-off Employee or Retiree and Your Dependent shall be the Secondary Plan. If the other Plan does not have a similar provision and, as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.
- **COBRA or State Continuation of Coverage:** The Plan that covers You under a right of continuation which is provided by federal or state law shall be the Secondary Plan and the Plan that covers You as an Employee in Active Service or Retiree or Your Dependent shall be the Primary Plan. If the other Plan does not have a similar provision and,

as a result, the Plans cannot agree on the order of benefit determination, this paragraph shall not apply.

- If one of the Plans that covers You is issued out of the state whose laws govern this Policy, and determines the order of benefits based upon the gender of a parent, and as a result, the Plans do not agree on the order of benefit determination, the Plan with the gender rules shall determine the order of benefits.
- **Longer or Shorter Length of Coverage:** The Plan that covers a person for a longer period of time is the Primary Plan and the Plan that covered the person for the shorter period of time is the Secondary Plan.

If the preceding rules do not determine the order of benefits, the Allowable Expenses shall be shared equally between each of the Plans meeting the definition of a Plan. In addition, this Plan will not pay more than it would have paid had it been the Primary Plan.

Effect on the Benefits of This Plan

If this Plan is the Secondary Plan, this Plan may reduce benefits so that the total benefits paid by all Plans are not more than 100% of the total of all Allowable Expenses.

Recovery of Excess Benefits

If We pay charges for benefits that should have been paid by the Primary Plan, or if We pay charges in excess of those for which We are obligated to provide under the Policy, We will have the right to recover the actual payment made or the Reasonable Cash Value of any services.

We will have sole discretion to seek such recovery from any person to, or for whom, or with respect to whom, such services were provided or such payments made by any insurance company, healthcare plan or other organization. If We request, You must execute and deliver to Us such instruments and documents as We determine are necessary to secure the right of recovery.

Right to Receive and Release Information

We, without consent or notice to You, may obtain information from and release information to any other Plan with respect to You in order to coordinate Your benefits pursuant to this section. You must provide Us with any information We request in order to coordinate Your benefits pursuant to this section. This request may occur in connection with a submitted claim; if so, You will be advised that the "other coverage" information, (including an Explanation of Benefits paid under the Primary Plan) is required before the claim will be processed for payment. If no response is received within 55 days of the request, the claim will be closed. If the requested information is subsequently received, the claim will be processed.

Expenses For Which A Third Party May Be Responsible

This plan does not cover:

- Expenses incurred by You or Your Dependent(s) for which another party may be responsible as a result of having caused or contributed to an injury or sickness.
- Expenses incurred by You or Your Dependent(s) to the extent any payment is received either directly or indirectly from a third party tortfeasor or as a result of a settlement, judgment or arbitration award in connection with any automobile medical, automobile no-fault, uninsured or underinsured motorist, homeowners, workers' compensation, government insurance (other than Medicaid), or similar type of insurance or coverage. The coverage under this plan is secondary to any automobile no-fault or similar coverage.

Right of Reimbursement

If a Covered Person incurs expenses for Covered Dental Services for which another party may be responsible or for which the Covered Person may receive payment as described above, We will be granted a right of reimbursement, to the extent of the benefits provided by Us, from the proceeds of any recovery whether by settlement, judgment, or otherwise.

Lien of the Plan

By accepting benefits under this plan, a Covered Person:

- grants a lien and assigns to Us an amount equal to the benefits paid under this plan against any recovery made by or on behalf of the Covered Person which is binding on any attorney or other party who represents the Covered Person

whether or not an agent of the Covered Person or of any insurance company or other financially responsible party against whom a Covered Person may have a claim provided said attorney, insurance carrier or other party has been notified by Us or Our agents;

- agrees that this lien shall constitute a charge against the proceeds of any recovery and We shall be entitled to assert a security interest thereon;
- agrees to hold the proceeds of any recovery in trust for Our benefit to the extent of any payment made by Us.

Additional Terms

- No adult Covered Person may assign any rights that the Covered Person may have to recover dental expenses from any third party or other person or entity to any Dependent child without Our prior express written consent. Our right to recover shall apply to decedents', minors', and incompetent or disabled persons' settlements or recoveries.
- No Covered Person shall make any settlement, which specifically reduces or excludes, or attempts to reduce or exclude, the benefits provided by the plan.
- Our right of recovery shall be a prior lien against any proceeds recovered by the Covered Person. This right of recovery shall not be defeated nor reduced by the application of any so-called "Made-Whole Doctrine", "Rimes Doctrine", or any other such doctrine purporting to defeat Our recovery rights by allocating the proceeds exclusively to non-dental expense damages.
- No Covered Person shall incur any expenses on behalf of the plan in pursuit of the plan's rights. Specifically; no court costs, attorneys' fees, or other representatives' fees may be deducted from the plan's recovery without Our prior express written consent. This right shall not be defeated by any so-called "Fund Doctrine", "Common Fund Doctrine", or "Attorney's Fund Doctrine".
- We shall recover the full amount of benefits provided under the plan without regard to any claim of fault on the part of any Covered Person, whether under comparative negligence or otherwise.
- We hereby disavow all equitable defenses in the pursuit of Our right of recovery. Our recovery rights are neither affected nor diminished by equitable defenses.
- In the event that a Covered Person fails or refuses to honor his obligations under the plan, We shall be entitled to recover any costs incurred in enforcing the terms of the Policy including, but not limited to, attorney's fees, litigation, court costs, and other expenses. We shall also be entitled to offset the reimbursement obligation against any entitlement to future dental benefits under the Covered

Person has fully complied with his reimbursement obligations, regardless of how those future dental benefits are incurred.

- Any reference to state law in any other provision of this plan shall not be applicable to this provision, if the plan is governed by ERISA. By acceptance of benefits under the plan, the Covered Person agrees that a breach hereof would cause irreparable and substantial harm and that no adequate remedy at law would exist. Further, We shall be entitled to invoke such equitable remedies as may be necessary to enforce the terms of the plan, including, but not limited to, specific performance, restitution, the imposition of an equitable lien and/or constructive trust, as well as injunctive relief.
- Covered Persons must assist Us in pursuing any recovery rights by providing requested information.

Payment of Benefits

Assignment and Payment of Benefits

You may not assign to any party, including, but not limited to, a provider of healthcare services/items, Your right to benefits under this plan, nor may You assign any administrative, statutory, or legal rights or causes of action You may have under ERISA, including, but not limited to, any right to make a claim for plan benefits, to request plan or other documents, to file appeals of denied claims or grievances, or to file lawsuits under ERISA. Any attempt to assign such rights shall be void and unenforceable under all circumstances.

You may, however, authorize Us to pay any healthcare benefits under this Policy to a Participating or Non-Participating Provider. When You authorize the payment of Your healthcare benefits to a Participating or Non-Participating Provider, You authorize the payment of the entire amount of the benefits due on that claim. If a provider is overpaid because of accepting duplicate payments from You and Us, it is the provider's responsibility to reimburse the overpayment to You. We may pay all healthcare benefits for Covered Dental Services directly to a Participating Provider without Your authorization. You may not interpret or rely upon this discrete authorization or permission to pay any healthcare benefits to a Participating or Non-Participating Provider as the authority to assign any other rights under this Policy to any party, including, but not limited to, a provider of healthcare services/items.

Even if the payment of healthcare benefits to a Non-Participating Provider has been authorized by You, We may, at Our option, make payment of benefits to You. When benefits are paid to You, You or Your Dependents are responsible for reimbursing the Non-Participating Provider.

Initial Determination

A claim for dental benefits will be reviewed upon receipt. We will notify You of Our decision to approve or deny the claim within 30 days from the date You submitted the claim, unless an extension is required due to matters beyond Our control. Any extension will not be more than 15 days.

If We require an extension, You will be notified in writing before the end of the initial 30 day period. The notice of extension will explain the reasons for the extension and will state when a determination will be made. If an extension is required because We require additional information from You, the time from the date of Our notice requesting further information and the time We receive the necessary information does not count toward the time period We are allowed to notify You of the claim determination. You will have 45 days from the date You receive the request for additional information to provide the requested information.

Claim Denial

If Your claim is denied, in whole or in part, the notification of the claim decision will state the reason why Your claim was denied and reference the specific plan provisions upon which the denial is based. If the claim is denied because more information is needed from You, the claims decision will describe the additional information needed and why such information is needed. If We relied on an internal rule or other criterion when denying the claim, the claim decision will include the rule or other criteria or will indicate that such rule or criteria was relied upon and You may request a copy free of charge.

To Whom Payable

Dental benefits are assignable to the provider. When You assign benefits to a provider, You have assigned the entire amount of the benefits due on that claim. If the provider is overpaid because of accepting a patient's payment on the charge, it is the provider's responsibility to reimburse the patient. Because of Our contracts with providers, all claims from contracted providers should be assigned.

We may, at Our option, make payment to You for the cost of any Covered Services from a Non-Participating Provider even if benefits have been assigned. When benefits are paid to You or Your Dependent(s), You or Your Dependent(s) are responsible for reimbursing the provider.

If any person to whom benefits are payable is a minor or is not able to give a valid receipt for any payment due that person,

such payment will be made to that person's legal guardian. If no request for payment has been made by that person's legal guardian, We will make payment to the person or institution appearing to have assumed that person's custody and support.

In the event of the death of a Covered Person, We may receive notice that an executor of the estate has been established. The executor has the same rights as the Covered Person and benefit payments for unassigned claims should be made payable to the executor.

Payment as described above will release Us from all liability to the extent of any payment made.

Recovery of Overpayment

When We have made an overpayment, We will have the right at any time to: recover that overpayment from the person to whom or on whose behalf it was made; or offset the amount of that overpayment from a future claim payment. In addition, Your acceptance of benefits under this Policy and/or assignment of benefits separately creates an equitable lien by agreement pursuant to which We may seek recovery of any overpayment. You agree that in seeking recovery of any overpayment as a contractual right or as an equitable lien by agreement, We may pursue the general assets of the person or entity to whom or on whose behalf the overpayment was made.

Timelines for performance shall be extended to the extent necessary and agreed upon by both parties, provided that the party whose performance is affected notifies the other promptly of the existence and nature of the delay and the impacted party makes good faith effort to provide or arrange for the provision of service, taking into account the severity of the event.

Time Limit on Certain Defenses

After two years from the Effective Date, no misstatements, except fraudulent misstatements, made by You in the application or any application amendment will be used to void this Certificate or to deny a claim for loss incurred after the expiration of such two-year period. No claim for loss commencing after 12 months from the Effective Date will be reduced or denied on the grounds that a disease or physical condition, not excluded from coverage by name or specific description, had existed prior to such Effective Date.

Your Dental Records

In order to provide benefits under this Certificate, process claims, make payments or review appeals and/or grievances, We may need to obtain information and records from Dentists who provided Your services or treatment. Qualified Medical Child Support Order (QMCSO)

Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child, and yourself if you are not already enrolled, within 31 days of the QMCSO being issued.

Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child and relates to benefits under the group health plan, and satisfies all of the following:

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit period. However, exceptions are allowed:

- if your Employer agrees, and you meet the criteria shown in the following Sections B through F and enroll for or change coverage within the time period established by your Employer.

B. Change of status

A change in status is defined as:

- change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
- change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
- change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;

- changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
- change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
- changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court order

D. Medicare or Medicaid eligibility/entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in cost of coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in coverage of spouse or Dependent under another employer's plan

You may make a coverage election change if the plan of your spouse or Dependent: incurs a change such as adding or deleting a benefit option; allows election changes due to Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or this Plan and the other plan have different periods of coverage or open enrollment periods.

Requirements of Family and Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: continuation of insurance during a leave of absence; and reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

HC-FED93

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if you gave your Employer advance written or verbal notice of your military service leave, and the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a waiting period that was not yet satisfied before the leave began. However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

Claim Determination Procedures under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care professional) must request Medical Necessity determinations according to the procedures described below, in the booklet, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not covered, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the booklet, in your provider's network participation documents as applicable, and in the determination notices.

Postservice Determinations

When you or your representative requests a coverage determination or a claim payment determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed and you or your representative must provide the specified information to Cigna within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of the following that pertain to the determination: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; a description of the plan's review procedures and the time limits applicable,

including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal, if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

HC-FED83

03-13

Appointment of Authorized Representative

You may appoint an authorized representative to assist you in submitting a claim or appealing a claim denial. However, Cigna may require you to designate your authorized representative in writing using a form approved by Cigna. At all times, the appointment of an authorized representative is revocable by you. To ensure that a prior appointment remains valid, Cigna may require you to re-appoint your authorized representative, from time to time.

Cigna reserves the right to refuse to honor the appointment of a representative if Cigna reasonably determines that:

- the signature on an authorized representative form may not be yours, or
- the authorized representative may not have disclosed to you all of the relevant facts and circumstances relating to the overpayment or underpayment of any claim, including, for example, that the billing practices of the provider of medical services may have jeopardized your coverage through the waiver of the cost-sharing amounts that you are required to pay under your plan.

If your designation of an authorized representative is revoked, or Cigna does not honor your designation, you may appoint a new authorized representative at any time, in writing, using a form approved by Cigna.

We want you to be completely satisfied with the care you receive. That is why we have established a process for addressing your concerns and solving your problems.

Start With Customer Services

We are here to listen and help. If you have a concern regarding a person, a service, the quality of care, or contractual benefits, you may call the toll-free number on your ID card, explanation of benefits, or claim form and explain your concern to one of our Customer Service representatives. You may also express that concern in writing.

We will do our best to resolve the matter on your initial contact. If we need more time to review or investigate your concern, we will get back to you as soon as possible, but in any case within 30 days. If you are not satisfied with the results of a coverage decision, you may start the appeals procedure.

Internal Appeals Procedure

To initiate an appeal, you must submit a request for an appeal in writing to Cigna within 180 days of receipt of a denial notice. You should state the reason why you feel your appeal should be approved and include any information supporting your appeal. If you are unable or choose not to write, you may ask Cigna to register your appeal by telephone. Call or write us at the toll-free number on your ID card, explanation of benefits, or claim form.

Your appeal will be reviewed and the decision made by someone not involved in the initial decision. Appeals involving Medical Necessity or clinical appropriateness will be considered by a health care professional.

We will respond in writing with a decision within 30 calendar days after we receive an appeal for a postservice coverage determination. If more time or information is needed to make the determination, we will notify you in writing to request an extension of up to 15 calendar days and to specify any additional information needed to complete the review.

Notice of Benefit Determination on Appeal

Every notice of a determination on appeal will be provided in writing or electronically and, if an adverse determination, will include: the specific reason or reasons for the adverse determination; reference to the specific plan provisions on which the determination is based; a statement that the claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records, and

other Relevant Information as defined below; a statement describing any voluntary appeal procedures offered by the plan and the claimant's right to bring an action under ERISA section 502(a), if applicable; upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your appeal, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit.

You also have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the decision on review. You or your plan may have other voluntary alternative dispute resolution options such as Mediation. One way to find out what may be available is to contact your local U.S. Department of Labor office and your State insurance regulatory agency. You may also contact the Plan Administrator.

Relevant Information

Relevant information is any document, record or other information which: was relied upon in making the benefit determination; was submitted, considered or generated in the course of making the benefit determination, without regard to whether such document, record, or other information was relied upon in making the benefit determination; demonstrates compliance with the administrative processes and safeguards required by federal law in making the benefit determination; or constitutes a statement of policy or guidance with respect to the plan concerning the denied treatment option or benefit for the claimant's diagnosis, without regard to whether such advice or statement was relied upon in making the benefit determination.

Legal Action

If your plan is governed by ERISA, you have the right to bring a civil action under section 502(a) of ERISA if you are not satisfied with the outcome of the Appeals Procedure. In most instances, you may not initiate a legal action against Cigna until you have completed the appeal processes. However, no action will be brought at all unless brought within 3 years after a claim is submitted for In-Network Services or within three years after proof of claim is required under the Plan for Out-of-Network services.

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct; or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a "qualified beneficiary" (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However,

such individuals' coverage will terminate when your COBRA continuation coverage terminates. The sections titled "Secondary Qualifying Events" and "Medicare Extension For Your Dependents" are not applicable to these individuals.

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under Title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

- SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
- A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for "Termination of COBRA Continuation" listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;
- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: the end of the applicable maximum period; the date the pre-existing condition provision is no longer applicable; or the occurrence of an event described in one of the first three bullets above;
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the

Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;

- if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
- in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member.

For example: If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or

one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation; or
- Your child ceases to qualify as a Dependent under the Plan.
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period).

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

COBRA Continuation for Retirees Following Employer’s Bankruptcy

If you are covered as a retiree, and a proceeding in bankruptcy is filed with respect to the Employer under Title 11 of the United States Code, you may be entitled to COBRA continuation coverage. If the bankruptcy results in a loss of coverage for you, your Dependents or your surviving spouse within one year before or after such proceeding, you and your covered Dependents will become COBRA qualified beneficiaries with respect to the bankruptcy. You will be entitled to COBRA continuation coverage until your death. Your surviving spouse and covered Dependent children will be entitled to COBRA continuation coverage for up to 36

months following your death. However, COBRA continuation coverage will cease upon the occurrence of any of the events listed under “Termination of COBRA Continuation” above.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. Contact the Employer for the procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s) for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the date you leave Active Service (or later as explained in the Termination Section;)
- the date you are no longer in an eligible class;

- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review the documents governing the Plan on the rules governing your federal continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain

copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of documents governing the plan or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

II. Introduction To Your Cigna Dental Plan

Welcome to the Cigna Dental Plan. We encourage you to use your dental benefits. Please note that enrollment in the Dental Plan allows the release of patient records to Cigna Dental or its designee for Dental Plan operation purposes.

III. Eligibility/When Coverage Begins

A. In General

To enroll in the Dental Plan, you and your Dependents must live or work in the Service Area and be able to seek treatment for Covered Services within the Cigna Dental Service Area. Other eligibility requirements are determined by your Group.

If you enrolled in the Dental Plan before the effective date of your Group Contract, you will be covered on the first

day the Group Contract is effective. If you enrolled in the Dental Plan after the effective date of the Group Contract, you will be covered on the first day of the month following processing of your enrollment (unless effective dates other than the first day of the month are provided for in your Group Contract).

Dependents may be enrolled in the Dental Plan at the time you enroll, during an open enrollment, or within 31 days of becoming eligible due to a life status change such as marriage, birth, adoption, placement, or court or administrative order. You may drop coverage for your Dependents only during the open enrollment periods for your Group, unless there is a change in status such as divorce.

If you have family coverage, a newborn child is automatically covered during the first 31 days of life. If you wish to continue coverage beyond the first 31 days, your baby must be enrolled in the Dental Plan and you must begin paying Prepayment Fees, if any additional are due, during that period.

Under the Family and Medical Leave Act of 1993, you may be eligible to continue coverage during certain leaves of absence from work. During such leaves, you will be responsible for paying your Group the portion of the Prepayment Fees, if any, which you would have paid if you had not taken the leave. Additional information is available through your Benefits Representative.

B. New Enrollee Transition of Care

If you or your enrolled Dependents are new enrollees currently receiving services for any of the conditions described hereafter from a non-Network Dentist, you may request Cigna Dental to approve completion of the services by the non-Network Dentist. Cigna Dental does not cover services provided by non-Network Dentists except for the conditions described hereafter that have been approved by Cigna Dental prior to treatment. Rare instances where prolonged treatment by a non-Network Dentist might be indicated will be evaluated on a case-by-case basis by the Dental Director in accordance with professionally recognized standards of dental practice. Approval to complete services started by a non-Network Dentist before you or your enrolled Dependents became eligible for Cigna Dental shall be considered only for the following conditions:

- (1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the Covered Services

shall be provided for the duration of the acute condition.

- (2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of Covered Services for newborn children between birth and age 36 months for 12 months from the effective date of coverage for a newly covered enrollee.
- (3) performance of a surgery or other procedure that is approved by Cigna Dental and has been recommended and documented by the non-Network Dentist to occur within 180 days of the effective date of your Cigna Dental coverage.

C. Renewal Provisions

Your coverage under the Dental Plan will automatically be renewed, except as provided in the section entitled “Disenrollment From The Dental Plan – Termination of Benefits.” All renewals will be in accordance with the terms and conditions of your Group Contract. Cigna Dental reserves any and all rights to change the Prepayment Fees or applicable Copayments during the term of the Group Contract if Cigna Dental determines Group’s information relied upon by Cigna Dental in setting the Prepayment Fees materially changes or is determined by Cigna Dental to be inaccurate.

IV. Your Cigna Dental Coverage

Cigna Dental maintains its principal place of business at 400 North Brand Boulevard, Suite 400, Glendale, CA 91203, with a telephone number of 1-800-Cigna24.

This section provides information that will help you to better understand your Dental Plan. Included is information about how to access your dental benefits and your payment responsibilities.

A. Customer Service

If you have any questions or concerns about the Dental Plan, Customer Service Representatives are just a toll-free phone call away. They can explain your benefits or help with matters regarding your Dental Office or Dental Plan. For assistance with transfers, specialty referrals, eligibility, emergencies, Covered Services, plan benefits, ID cards, location of Dental Offices, conversion coverage or other matters, call Customer Service from any location at 1-800-Cigna24. If you have a question about your treatment plan, we can arrange a second opinion or consultation. The hearing impaired may contact the state TTY toll-free relay service number listed in their local telephone directory.

B. Prepayment Fees

Your Group sends a monthly Prepayment Fee (premium) to Cigna Dental for customers participating in the Dental Plan. The amount and term of this Prepayment Fee is set forth in your Group Contract. You may contact your Benefits Representative for information regarding any part of this Prepayment Fee to be withheld from your salary or to be paid by you to the Group.

C. Other Charges - Copayments

Network General Dentists are typically reimbursed by Cigna Dental through fixed monthly payments and supplemental payments for certain procedures. Network Specialty Dentists are compensated based on a contracted fee arrangement for services rendered. No bonuses or financial incentives are used as inducements to limit services. Network Dentists are also compensated by the Copayments that you pay, as set out in your Patient Charge Schedule. You may request general information about these matters from Customer Service or from your Network Dentist.

Your Patient Charge Schedule lists the dental procedures covered under your Dental Plan, subject to plan exclusions and limitations. Some dental procedures are covered at no charge to you. For other Covered Services, the Patient Charge Schedule lists the Copayments you must pay when you visit your Dental Office. There are no deductibles and no annual dollar limits for services covered by your Dental Plan.

Your Network General Dentist is instructed to tell you about Copayments for Covered Services, the amount you must pay for optional or non-Covered Services and the Dental Office’s payment policies. Timely payment is important. It is possible that the Dental Office may add late charges to overdue balances. **IMPORTANT:** If you opt to receive dental services that are not Covered Services under this plan, a participating dentist may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about dental coverage options, you may call Customer Service at 1-800-Cigna24 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

Your Patient Charge Schedule is subject to change in accordance with your Group Contract. Cigna Dental will give written notice to your Group of any change in Copayments at least 30 days prior to such change. You

will be responsible for the Copayments listed on the Patient Charge Schedule that is in effect on the date a procedure is started.

D. Facilities – Choice of Dentist

1. In General

You and your Dependents should have selected a Dental Office when you enrolled in the Dental Plan. If you did not, you must advise Cigna Dental of your Dental Office selection prior to receiving treatment. The benefits of the Dental Plan are available only at your Dental Office, except in the case of an emergency or when Cigna Dental otherwise approves payment for out-of-network benefits.

You may select a Network Pediatric Dentist as the Network General Dentist for your Dependent child under age 13 by calling Customer Service at 1-800-Cigna24 to get a list of Network Pediatric Dentists in your Service Area or if your Network General Dentist sends your child under the age of 13 to a Network Pediatric Dentist, the Network Pediatric Dentist's office will have primary responsibility for your child's care. For children 13 years and older, your Network General Dentist will provide care. If your child continues to visit the Pediatric Dentist upon the age of 13, you will be fully responsible for the Pediatric Dentist's Usual Fees. Exceptions for medical reasons may be considered on a case-by-case basis.

If for any reason your selected Dental Office cannot provide your dental care, or if your Network General Dentist terminates from the network, Cigna Dental will let you know and will arrange a transfer to another Dental Office. Refer to the section titled "Office Transfers" if you wish to change your Dental Office.

To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24. It is available 24 hours a day, 7 days per week. If you would like to have the list faxed to you, enter your fax number, including your area code. You may always obtain a current Dental Office Directory by calling Customer Service.

2. Appointments

To make an appointment with your Network General Dentist, call the Dental Office that you have selected. When you call, your Dental Office will ask for your identification number and will check your eligibility.

3. Office Transfers

If you decide to change Dental Offices, we encourage you to complete any dental procedure in progress first. To arrange a transfer, call Customer Service at 1-800-Cigna24. To obtain a list of Dental Offices near you, visit our website at myCigna.com, or call the Dental Office Locator at 1-800-Cigna24.

Your transfer request may take up to five days to process. Transfers will be effective the first day of the month after the processing of your request. Unless you have an emergency, you will be unable to schedule an appointment at the new Dental Office until your transfer becomes effective. You can check the status of your request by visiting myCigna.com, or by calling us at 1-800-Cigna24.

There is no charge to you for the transfer; however, all Copayments which you owe to your current Dental Office must be paid before the transfer can be processed. Copayments for procedures not completed at the time of transfer may be required to be prorated between your current Dental Office and the new Dental Office, but will not exceed the amount listed on your Patient Charge Schedule.

E. Your Payment Responsibility (General Care)

For Covered Services at your Dental Office, you will be charged the Copayments listed on your Patient Charge Schedule, subject to applicable exclusions and limitations. For services listed on your Patient Charge Schedule provided at any other dental office, you may be charged Usual Fees. For non-Covered Services, you are responsible for paying Usual Fees.

If, on a temporary basis, there is no Network General Dentist available in the Service Area to treat you, Cigna Dental will let you know and you may obtain Covered Services from a non-Network Dentist. You will pay the non-Network Dentist the applicable Copayment for Covered Services. Cigna Dental will pay the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. If you seek treatment for Covered Services from a non-Network Dentist without approval from Cigna Dental, you will be responsible for paying the non-Network Dentist his or her Usual Fee.

See Section IV.G., *Specialty Referrals*, regarding payment responsibility for specialty care.

All contracts between Cigna Dental and Network Dentists state that you will not be liable to the Network Dentist for any sums owed to the Network Dentist by Cigna Dental.

F. Specialty Care

Your Network General Dentist at your Dental Office has primary responsibility for your professional dental care. Because you may need specialty care, the Cigna Dental Network includes the following types of specialty dentists:

- Pediatric Dentists – children’s dentistry.
- Endodontists - root canal treatment.
- Periodontists - treatment of gums and bone.
- Oral Surgeons - complex extractions and other surgical procedures.
- Orthodontists - tooth movement.

When specialty care is needed, your Network General Dentist must start the referral process. X-rays taken by your Network General Dentist should be sent to the Network Specialty Dentist. Payment authorization is not required for coverage of services by a Network Specialty Dentist.

See Section IV.D. *Facilities – Choice of Dentist*, regarding treatment by a Pediatric Dentist.

G. Specialty Referrals

1. In General

Payment authorization is not required for coverage of services by a Network Specialty Dentist.

If your Patient Charge Schedule reflects coverage for Orthodontic services, a referral from a Network General Dentist is not required to receive care from a Network Orthodontist. However, your Network General Dentist may be helpful in assisting you to choose or locate a Network Orthodontist.

When Cigna Dental approved payment to the Network Specialty Dentist, the fees or no-charge services listed on the Patient Charge Schedule in effect on the date each procedure is started will apply, except as set out in Section V.A.8., *Orthodontics*.

If a pre-determination of treatment has been approved by Cigna Dental, such treatment by the Network Specialty Dentist must begin within 90 days from the date of Cigna Dental’s approval. If you are unable to obtain treatment within the 90-day period, please call Customer Service to request an extension. Your coverage must be in effect when each procedure begins.

If Cigna Dental makes an Adverse Determination of the requested referral (i.e. Cigna Dental does not approve payment to the Network Specialty Dentist

for Covered Services), or if the dental services sought are not Covered Services, you will be responsible to pay the Network Specialty Dentist’s Usual Fee for the services rendered. If you have a question or concern regarding an approval or a denial, contact Customer Service.

Specialty referrals will be approved by Cigna Dental if the services sought are: Covered Services; rendered to an eligible customer; within the scope of the Specialty Dentist’s skills and expertise; and meet Clinical Necessity requirements. Cigna Dental may request medical information regarding your condition and the information surrounding the dentist’s determination of the Clinical Necessity for the request. Cigna Dental shall respond in a timely fashion appropriate for the nature of your condition, not to exceed 5 business days from Cigna Dental’s receipt of the information reasonably necessary and requested by Cigna Dental to make the determination. When you face imminent and serious threat to your health, including, but not limited to, the potential loss of life, limb, or other major bodily function, or the normal time frame for the decision making process would be detrimental to your life or health or could jeopardize your ability to regain maximum function, the decision to approve, modify, or deny requests shall be made in a timely fashion appropriate for the nature of your condition, not to exceed 72 hours after receipt of the request. Decisions to approve, modify, or deny requests for approval prior to the provision of dental services shall be communicated to the requesting dentist within 24 hours of the decision. Decisions resulting in denial, delay, or modification of all or part of the requested dental service shall be communicated to the customer in writing within 2 business days of the decision. Adverse Determinations may be appealed as described in the Section entitled “What To Do If There Is A Problem/Grievances.”

After the Network Specialty Dentist has completed treatment, you should return to your Network General Dentist for cleanings, regular checkups and other treatment. If you visit a Network Specialty Dentist without a referral or if you continue to see a Network Specialty Dentist after you have completed specialty care, it will be your responsibility to pay for treatment at the specialist’s Usual Fees.

When your Network General Dentist determines that you need specialty care and a Network Specialty Dentist is not available, as determined by Cigna

Dental, Cigna Dental will approve a referral to a non-Network Specialty Dentist. The referral procedures applicable to specialty care will apply. In such cases, you will be responsible for the applicable Copayment for Covered Services. Cigna Dental will reimburse the non-Network Dentist the difference between his or her Usual Fee and the applicable Copayment. For non-Covered Services or services not approved for payment, including Adverse Determinations, you must pay the dentist's Usual Fee. Or, if you seek treatment for Covered Services from a non-Network Dentist without approval from Cigna Dental, you will be responsible for paying the dentist's Usual Fee.

You may request from Customer Service a copy of the process that Cigna Dental uses to authorize, modify, or deny requests for specialty referrals and services.

2. Second Opinions

If you have questions or concerns about your treatment plan, second opinions are available to you upon request by calling Customer Service. Second opinions will generally be scheduled within 5 days. In the case of an imminent and serious health threat, as determined by Cigna Dental clinicians, second opinions will be rendered within 72 hours. Cigna Dental's policy statement on second opinions may be requested from Customer Service.

V. Covered Dental Services

A. Categories of Covered Services

Dental procedures in the following categories of Covered Services are covered under your Dental Plan when listed on your Patient Charge Schedule and performed by your Network Dentist. Please refer to your Patient Charge Schedule for the procedures covered under each category and the associated Copayment. While most dental procedures are performed in the dentist's office, the Plan's contracted providers may suggest the use of telehealth when appropriate for Plan members. Telehealth provides an opportunity to remotely diagnose and formulate the member's treatment plan. If your dentist or dental provider determine that telehealth is a viable option, members are encouraged to discuss and understand the nature of care prior to receiving the telehealth services. The Plan or Insurer will cover applicable covered services delivered through telehealth providers contracted with the Plan, including third-party telehealth providers. Services delivered via telehealth will be covered on the same basis and to the same extent as

services rendered in-person. Patient charge responsibility and frequency limitations will be the same for applicable services whether rendered in-person or via telehealth. There are no additional patient charge responsibility or frequency limitations for telehealth services. Additionally, there are no benefit maximums applicable for telehealth services. Please refer to your Patient Charge Schedule to view all applicable patient charge responsibility and frequency limitations for services rendered.

1. Diagnostic/Preventive

Diagnostic treatment consists of the evaluation of a patient's dental needs based upon observation, examination, x-rays and other tests. Preventive dentistry involves the education and treatment devoted to and concerned with preventing the development of dental disease. Preventive Services includes dental cleanings, oral hygiene instructions to promote good home care and prevent dental disease, and fluoride application for children to strengthen teeth.

a. Limitation

The frequency of certain Covered Services, like cleanings, is limited. Your Patient Charge Schedule lists any limitations on frequency. If your Network Dentist certifies to Cigna Dental that, due to medical necessity you require certain Covered Services more frequently than the limitation allows, Cigna Dental will waive the limitation.

2. Restorative (Fillings)

Restorative dentistry involves materials or devices used to replace lost tooth structure or to replace a lost tooth or teeth.

3. Crown and Bridge

An artificial crown is a restoration covering or replacing the major part, or the whole of the clinical crown of a tooth. A fixed bridge is a prosthetic replacement of one or more missing teeth cemented to the abutment teeth adjacent to the space. The artificial tooth used in a bridge to replace the missing tooth is called a pontic.

Crowns, inlays or onlays are benefits when there is insufficient tooth structure to support a filling or to replace an existing restoration that is non-functional or nonrestorable.

The replacement of an existing inlay, onlay, crown, bridge or a removable full or partial denture is a benefit when:

- The existing restoration/bridge/denture is no longer functional and cannot be made functional by repair or adjustment, or
- The existing partial denture must be replaced by a new partial denture due to the loss of a natural tooth, which cannot be replaced by adding another tooth to the existing partial denture.

a. Complex Rehabilitation/Multiple Crown Units

Complex rehabilitation is extensive dental restoration involving 6 or more “units” of crown, bridge and/or implant supported prosthesis (including crowns and bridges) in the same treatment plan. Using full crowns (caps), fixed bridges and/or implant supported prosthesis (including crowns and bridges) which are cemented in place, your Network General Dentist will rebuild natural teeth, fill in spaces where teeth are missing and establish conditions which allow each tooth to function in harmony with the occlusion (bite). The extensive procedures involved in complex rehabilitation require an extraordinary amount of time, effort, skill and laboratory collaboration for a successful outcome.

Complex rehabilitation will be covered when performed by your Network General Dentist after consultation with you about diagnosis, treatment plan and charges. Each tooth or tooth replacement included in the treatment plan is referred to as a “unit” on your Patient Charge Schedule. The crown, bridge and/or implant supported prosthesis (including crowns and bridges) charges on your Patient Charge Schedule are for each unit of crown or bridge. You pay the per unit Copayment for each unit of crown, bridge and/or implant supported prosthesis (including crowns and bridges) PLUS an additional charge for complex rehabilitation for each unit beginning with the 6th unit when 6 or more units are prescribed in your Network General Dentist’s treatment plan. The additional charge for complex rehabilitation will not be applied to the first 5 units of crown or bridge.

Note: Complex rehabilitation only applies for implant supported prosthesis, when implant

supported prosthesis are specifically listed on your Patient Charge Schedule.

b. Limitations

- (1) All charges for crown and bridge are per unit (each replacement or supporting tooth equals one unit).
- (2) Limit 1 every 5 years unless Cigna Dental determines that replacement is necessary because the existing crown or bridge is unsatisfactory as a result of poor quality of care, or because the tooth involved has experienced extensive loss or changes in tooth structure or supporting tissues since the placement of the crown or bridge.
- (3) If more than one service may be used to treat a dental condition, coverage will be limited to the less costly Covered Service provided it is: a professionally accepted, necessary and appropriate method of treatment.

If treatment is provided by a Network Dentist and the patient requests or accepts a more costly Covered Service, the specific Patient Charge for such service is equal to:

- i. the Patient Charge for the less costly service, plus
 - ii. the difference in cost between the Usual Fee for the more costly service and Usual Fee for the less costly service.
- (4) Fixed bridges are benefits when there are only one or two teeth missing in the arch which can be replaced by a maximum of four units. If there are multiple missing teeth in the same arch, not already replaced by a prior bridge, and if more than four units (combination of abutments and pontics) are needed, the benefit will be limited to a removable partial denture. This limitation will not apply if a fixed bridge is determined by the dentist to be the treatment most consistent with professionally accepted standards of care.

c. Exclusion

- (1) There is no coverage for crowns, bridges used solely for splinting. This exclusion will not apply if a crown or bridge is determined by Cigna Dental to be the treatment most

consistent with professionally accepted standards of care.

- (2) There is no coverage for implant supported prosthesis used solely for splinting unless specifically listed on your Patient Charge Schedule.
- (3) There is no coverage for resin bonded retainers and associated pontics.

4. Endodontics

Endodontics is root canal treatment which may be required when the nerve of a tooth is damaged due to trauma, infection, or inflammation. Treatment consists of removing the damaged nerve from the root of the tooth and filling the root canal with a rubber-like material. Following endodontic treatment, a crown is usually needed to strengthen the weakened tooth.

Exclusions

1. Coverage is not provided for Endodontic treatment of teeth exhibiting a poor or hopeless periodontal prognosis.
2. Coverage is not provided for intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.

5. Periodontics

Periodontics is treatment of the gums and bone which support the teeth. Periodontal disease is chronic. It progresses gradually, sometimes without pain or other symptoms, destroying the support of the gums and bone. The disease is a combination of deterioration plus infection.

a. Preliminary Consultation

This consultation by your Network General Dentist is the first step in the care process. During the visit, you and your Network General Dentist will discuss the health of your gums and bone.

b. Evaluation, Diagnosis and Treatment Plan

If periodontal disease is found, your Network General Dentist or Network Specialty Dentist will develop a treatment plan. The treatment plan consists of mapping the extent of the disease around the teeth, charting the depth of tissue and bone damage and listing the procedures necessary to correct the disease.

Depending on the extent of your condition, your Network General Dentist or Network Specialty Dentist may recommend any of the following procedures:

- (1) **Nonsurgical Program** - This is a conservative approach to periodontal therapy. Use of this program depends upon how quickly you heal and how consistently you follow instructions for home care. This program may include:
 - scaling and root planing
 - oral hygiene instruction
 - full mouth debridement
- (2) **Scaling and Root Planing** - This periodontal therapy procedure combines scaling of the crown and root surface with root planing to smooth rough areas of the root. This procedure may be performed by the dental hygienist or your Network General Dentist.
- (3) **Osseous Surgery** - Bone (osseous) surgery is a procedure used in advanced cases of periodontal disease to restructure the supporting gums and bone. Without this surgery, tooth or bone loss may occur. Two checkups by the Periodontist are covered within the year after osseous surgery.
- (4) **Occlusal Adjustment** - Occlusal adjustment requires the study of the contours of the teeth, how they bite (occlude) and their position in the arch. It consists of a recontouring of biting surfaces so that direct biting forces are along the long axis of the tooth. If the biting forces are not properly distributed, the bone which supports the teeth may deteriorate.
- (5) **Bone Grafts and other regenerative procedures** - This procedure involves placing a piece of tissue or synthetic material in contact with tissue to repair a defect or supplement a deficiency.

c. Limitations

1. Periodontal scaling and root planing for four or more contiguous teeth or bounded teeth spaces per quadrant is limited to four quadrants per consecutive 12 months.

2. Periodontal scaling and root planing for one to three teeth per quadrant is limited to four quadrants per consecutive 12 months
3. Periodontal maintenance is limited to two within the first 12 months after active therapy.

d. Exclusion

1. General anesthesia, sedation and nitrous oxide are not covered, unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, IV sedation is covered when medically necessary and provided in conjunction with Covered Services performed by a Periodontist. General anesthesia is not covered when provided by a Periodontist. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.
2. There is no coverage for Periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
3. There is no coverage for the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
4. There is no coverage for bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.
5. There is no coverage for bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
6. There is no coverage for localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

6. Prosthodontics

Prosthodontics is treatment dealing with the replacement of missing teeth and other oral structures with removable appliances like dentures or partial dentures.

a. Limitation

- (1) Interim partial dentures, in conjunction with fixed or removable appliances, are a benefit as replacements for extracted anterior teeth for adults during healing periods when the teeth cannot be added to an existing partial denture.
- (2) Denture relining is limited to one every 36 months.
- (3) Interim dentures are limited to one every five years.

b. Exclusion

- (1) services associated with the placement (i.e., surgically placing the implant into the bone) or prosthodontic restoration of a dental implant.
- (2) replacement of fixed and/or removable prosthodontic appliances that have been lost, stolen or damaged due to patient abuse, misuse or neglect.

7. Oral Surgery

Oral surgery involves the surgical removal of teeth or associated surgical procedures by your Network General Dentist or Network Specialty Dentist.

a. Limitation

The surgical removal of a wisdom tooth may not be covered if the tooth is not diseased or if the removal is only for orthodontic reasons. Temporary pain from normal eruption is not considered disease. Your Patient Charge Schedule lists any limitations on oral surgery.

b. Exclusion

General anesthesia, sedation and nitrous oxide are not covered unless specifically listed on your Patient Charge Schedule. When listed on your Patient Charge Schedule, general anesthesia and IV sedation are covered when medically necessary and provided in conjunction with Covered Services performed by an Oral Surgeon. There is no coverage for general anesthesia or intravenous sedation when used for the purposes of anxiety control or patient management.

8. Orthodontics (This section is applicable only when Orthodontics is listed on your Patient Charge Schedule.)

a. Definitions – If your Patient Charge Schedule indicates coverage for orthodontic treatment, the following definitions apply:

- (1) **Orthodontic Treatment Plan and Records** - the preparation of orthodontic records and a treatment plan by the Orthodontist.
- (2) **Interceptive Orthodontic Treatment** - treatment prior to full eruption of the permanent teeth, frequently a first phase preceding comprehensive treatment.
- (3) **Comprehensive Orthodontic Treatment** - treatment after the eruption of most permanent teeth, generally the final phase of treatment before retention.
- (4) **Retention (Post Treatment Stabilization)** - the period following orthodontic treatment during which you may wear an appliance to maintain and stabilize the new position of the teeth.

b. Copayments

The Copayment for your entire orthodontic case, including retention, will be based upon the Patient Charge Schedule in effect on the date of your visit for Orthodontic Treatment Plan and Records. However, if (a) banding/appliance insertion does not occur within 90 days of such visit, (b) your treatment plan changes, or (c) there is an interruption in your coverage or treatment, a later change in the Patient Charge Schedule may apply.

The Copayment for orthodontic treatment is based upon 24 months of interceptive and/or comprehensive treatment. If you require more than 24 months of treatment in total, you will be charged an additional amount for each additional month of treatment, based upon the Orthodontist's Contract Fee. If you require less than 24 months of treatment, your Copayment will be reduced on a prorated basis.

c. Additional Charges

You will be responsible for the Orthodontist's Usual Fees for the following non-Covered Services:

- (1) incremental costs associated with optional/elective materials, including but not

limited to ceramic, clear, lingual brackets, or other cosmetic appliances;

- (2) orthognathic surgery and associated incremental costs;
- (3) appliances to guide minor tooth movement;
- (4) appliances to correct harmful habits; and
- (5) services which are not typically included in orthodontic treatment. These services will be identified on a case-by-case basis.

d. Orthodontics in Progress

If orthodontic treatment is in progress for you or your Dependent at the time you enroll, call Customer Service at 1-800-Cigna24 to find out the benefit to which you are entitled based upon your individual case and the remaining months of treatment.

e. Exclusion

Replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.

B. Emergency Dental Care - Reimbursement

An emergency is a dental condition of recent onset and severity which would lead a prudent layperson possessing an average knowledge of dentistry to believe the condition needs immediate dental procedures necessary to control excessive bleeding, relieve severe pain, or eliminate acute infection. Emergency dental care services may include examination, x-rays, sedative fillings, dispensing of antibiotics or pain relief medication or other palliative services prescribed by the treating dentist. You should contact your Network General Dentist if you have an emergency in your Service Area.

1. Emergency Care Away From Home

If you have an emergency while you are out of your Service Area or you are unable to contact your Network General Dentist, you may receive emergency Covered Services as defined above from any general dentist. Routine restorative procedures or definitive treatment (e.g., root canal) are not considered emergency care. You should return to your Network General Dentist for these procedures. For emergency Covered Services, you will be responsible for the Copayments listed on your Patient Charge Schedule. Cigna Dental will reimburse you the difference between the dentist's Usual Fee for emergency Covered Services and your Copayment,

up to a total of \$50 per incident. To receive reimbursement, send the dentist's itemized statement to Cigna Dental at the address listed for your state on the front of this booklet.

2. Emergency Care After Hours

There is a Copayment listed on your Patient Charge Schedule for emergency care rendered after regularly scheduled office hours. This charge will be in addition to other applicable Copayments.

VI. Exclusions

In addition to the exclusions and limitations listed in Section V, listed below are the services or expenses which are also NOT covered under your Dental Plan and which are your responsibility at the dentist's Usual Fees. There is no coverage for:

- services not listed on the Patient Charge Schedule.

If bleaching (tooth whitening) is listed on your Patient Charge Schedule, only the use of take-home bleaching gel with trays is covered; all other types of bleaching methods are not covered.
- prescription medications.
- hospitalization, including any associated incremental charges for dental services performed in a hospital. (Benefits are available for Network Dentist charges for Covered Services performed at a hospital. Other associated charges are not covered and should be submitted to the medical carrier for benefit determination. If special circumstances arise where a Network Dentist is not available, the Plan will make special arrangements for the provision of covered benefits as necessary for the dental health of the customer.)

- procedures, appliances or restorations if the main purpose is to: change vertical dimension (degree of separation of the jaw when teeth are in contact); restore asymptomatic teeth where loss of tooth structure was caused by attrition, abrasion, erosion and/or abfraction and the primary purpose of the restoration is to change the vertical dimension of occlusion or for cosmetic purposes.
- procedures or appliances for minor tooth guidance or to control harmful habits.

- replacement of fixed and/or removable orthodontic appliances (including fixed and removable orthodontic appliances) that have been lost, stolen, or damaged due to patient abuse, misuse or neglect.
- endodontic treatment and/or periodontal (gum tissue and supporting bone) surgery of teeth exhibiting a poor or hopeless periodontal prognosis.
- the recementation of any inlay, onlay, crown, post and core or fixed bridge within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be

incidental to and part of the charges for the initial restoration.

- the recementation of any implant supported prosthesis (including crowns, bridges and dentures) within 180 days of initial placement. Cigna Dental considers recementation within this timeframe to be incidental to and part of the charges for the initial restoration unless specifically listed on your Patient Charge Schedule.
- the replacement of an occlusal guard (night guard) beyond one per any 24 consecutive month period, when this limitation is noted on the Patient Charge Schedule.
- intentional root canal treatment in the absence of injury or disease to solely facilitate a restorative procedure.
- bone grafting and/or guided tissue regeneration when performed at the site of a tooth extraction, unless specifically listed on your Patient Charge Schedule.
- bone grafting and/or guided tissue regeneration when performed in conjunction with an apicoectomy or periradicular surgery.
- localized delivery of antimicrobial agents when performed alone or in the absence of traditional periodontal therapy.

Should any law require coverage for any particular service(s) noted above, the exclusion for that service(s) shall not apply.

VII. Limitations

In addition to the limitations listed in Section V, listed below are the services or expenses which have limited coverage under your Dental Plans. No payment will be made for expense incurred or services received:

- for or in connection with an injury arising out of, or in the course of, any employment for wage or profit.
- for charges which would not have been made in any facility, other than a Hospital or a Correctional Institution owned or operated by the United States Government or by a state or municipal government if the person had no insurance.
- to the extent that payment is unlawful where the person resides when the expenses are incurred or the services are received.
- for the charges which the person is not legally required to pay.
- for charges which would not have been made if the person had no insurance.
- due to injuries which are intentionally self-inflicted.

In addition to the above, the following limitation will also apply:

- **Clinical Oral Evaluations** – When this limitation is noted on the Patient Charge Schedule, periodic oral evaluations, comprehensive oral evaluations, comprehensive periodontal evaluations, and oral evaluations for patients under 3 years of age, are limited to a combined total of 4 evaluations during a 12 consecutive month period.
- **Surgical Placement of Implant Services** – When covered on the Patient Charge Schedule, surgical placement of a dental implant; repair, maintenance, or removal of a dental implant; implant abutment(s); or any services related to the surgical placement of a dental implant are limited to one per year with replacement of a surgical implant frequency limitation of one every 10 years.
- **Prosthesis Over Implant** – When covered on the Patient Charge Schedule, a prosthetic device, supported by an implant or implant abutment is considered a separate distinct service(s) from surgical placement of an implant. Replacement of any type of prosthesis with a prosthesis supported by an implant or implant abutment is only covered if the existing prosthesis is at least 5 calendar years old, is not serviceable and cannot be repaired.

Should any law require coverage for any particular service(s) noted above, the limitation for that service(s) shall not apply.

VIII. What To Do If There Is A Problem/Grievances

For the purposes of this section, any reference to “you” or “your” also refers to a representative or dentist designated by you to act on your behalf.

Most problems can be resolved between you and your dentist. However, we want you to be completely satisfied with the Dental Plan. That is why we have established a process for addressing your concerns and complaints. The complaint procedure is voluntary and will be used only upon your request. No Plan employee shall retaliate or discriminate against a customer (including seeking disenrollment of the customer) solely on the basis that the customer filed a grievance. Instances of such retaliation or discrimination shall be grounds for disciplinary action, (including termination) against the employee.

A. Your Rights To File Grievances With Cigna Dental

We want you to be completely satisfied with the care you receive. That is why we have established an internal grievance process for addressing your concerns and resolving your problems.

Grievances include both complaints and appeals.

Complaints may include concerns about people, quality of service, quality of care, benefit interpretations or

eligibility. Appeals are requests to reverse a prior denial, or modified decision about your care. You may contact us by telephone or in writing with a grievance.

You have 365 days following the action that is the subject of your dissatisfaction to submit a grievance. If your grievance relates to the cancellation of your coverage, you have 365 days as of the date of the notice you allege to be improper to submit a grievance.

B. How to File A Grievance

To contact us by phone, call us toll-free at 1-800-Cigna24 or the toll-free telephone number on your Cigna identification card. The hearing impaired may call the state TTY toll-free service listed in their local telephone directory.

Send written grievances to:

Cigna Dental Health of California, Inc.
P.O. Box 188047
Chattanooga, TN 37422-8047

We will provide you with a grievance form upon request, but you are not required to use the form in order to make a written grievance.

You may also submit a grievance online through the following Cigna website:
<http://myCigna.com/health/consumer/medical/state/ca.html#dental>.

If the customer is a minor, is incompetent or unable to exercise rational judgment or give consent, the parent, guardian, conservator, relative, or other legal representative acting on behalf of the customer, as appropriate may submit a grievance to Cigna Dental or the California Department of Managed Health Care (DMHC or “Department”), as the agent of the customer. Also, a participating dentist may join with or assist you or your agent in submitting a grievance to Cigna Dental or the DMHC.

1. Complaints

If you are concerned about the quality of service or care you have received, a benefit interpretation, or have an eligibility issue, you should contact us to file a verbal or written complaint. If you contact us by telephone to file a complaint, we will attempt to document and/or resolve your complaint over the telephone. If we receive your complaint in writing, we will send you a letter confirming that we received the complaint within 5 calendar days of receiving your notice. This notification will tell you whom to contact should you have questions or would like to submit additional information about your complaint.

We will investigate your complaint and will notify you of the outcome within 30 calendar days.

2. Appeals

If your grievance does not involve a complaint about the quality of service or care, a benefit interpretation or an eligibility issue, but instead involves dissatisfaction with the outcome of a decision that was made about your care and you want to request Cigna Dental to reverse the previous decision, you should contact us within one year of receiving the denial notice to file a verbal or written appeal. Be sure to share any new information that may help justify a reversal of the original decision. Within 5 calendar days from when we receive your appeal, we will confirm with you, in writing, that we received it. We will tell you whom to contact at Cigna Dental should you have questions or would like to submit additional information about your appeal. We will make sure your appeal is handled by someone who has authority to take action and who was not involved in the original decision. We will investigate your appeal and notify you of our decision, within 30 calendar days. You may request that the appeal process be expedited, if there is an imminent and serious threat to your health, including severe pain, potential loss of life, limb or major bodily function. A Dental Director for Cigna Dental, in consultation with your treating dentist, will decide if an expedited appeal is necessary. When an appeal is expedited, Cigna Dental will respond orally and in writing with a decision within 72 hours.

C. You Have Additional Rights Under State Law

Cigna Dental is regulated by the California Department of Managed Health Care (DMHC or the “Department”). If you are dissatisfied with the resolution of your complaint or appeal, the law states that you have the right to submit the grievance to the Department for review as follows:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-800-Cigna24 and use your health plan’s grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you

are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The Department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's internet website www.dmhca.ca.gov has complaint forms, IMR application forms and instructions online.

There is no application or processing fee of any kind associated with the Independent Medical Review process.

You may file a grievance with the DMHC if Cigna Dental has not completed the complaint or appeal process described above within 30 days of receiving your grievance. You may immediately file an appeal with Cigna Dental and/or the DMHC in a case involving an imminent and serious threat to the health, including, but not limited to, severe pain, the potential loss of life, limb, or major bodily function, or in any other case where the DMHC determines that an earlier review is warranted.

D. Voluntary Mediation

If you have received an appeal decision from Cigna Dental with which you are not satisfied, you may also request voluntary mediation with us before exercising the right to submit a grievance to the DMHC. In order for mediation to take place, you and Cigna Dental each have to voluntarily agree to the mediation. Cigna Dental will consider each request for mediation on a case-by-case basis. Each side will equally share the expenses of the mediation. To initiate mediation, please submit a written request to the Cigna Dental address listed above. If you request voluntary mediation, you may elect to submit your grievance directly to the DMHC after participating in the voluntary mediation process for at least 30 days.

For more specific information regarding these grievance procedures, please contact our Customer Service Department.

IX. Coordination of Benefits

Coordination of benefit rules explain the payment process when you are covered by more than one Dental Plan. You and your Dependents may not be covered twice under this Dental Plan. If you and your spouse have enrolled each other or the same Dependents twice, please contact your Benefit Administrator.

If you or your Dependents have dental coverage through your spouse's employer or other sources, applicable coordination of

benefit rules will determine which coverage is primary or secondary. In most cases, the plan covering you as an employee is primary for you, and the plan covering your spouse as an employee is primary for him or her. Your children are generally covered as primary by the plan of the parent whose birthday occurs earlier in the year. Coordination of Benefits should result in lowering or eliminating your out-of-pocket expenses. It should not result in reimbursement for more than 100% of your expenses.

The following is a more detailed explanation of the rules used to determine which plan must pay first (your "primary" plan) and which plan must pay second (your "secondary" plan):

- A. A customer may be covered as an employee by his/her employer and as a Dependent by his/her spouse's employer. The plan that covers the customer as an employee (the policyholder) is the primary plan.
- B. Under most circumstances, if a child is covered as a Dependent under both parents' coverage (and parents are not separated or divorced), the plan of the parent with the earliest birthday in the year is the primary plan.
- C. If a child of divorced or separated parents is covered as a Dependent under at least one of the parents' (or stepparents') coverage, benefits are determined in the following order:
 - 1. According to a court decree that designates the person financially responsible for the dental care coverage; or without such decree,
 - 2. The plan of the parent who has custody of the child;
 - 3. If the parent with custody of the child is remarried, then the stepparent's plan; and finally,
 - 4. The plan of the parent without custody of the child.
- D. The benefits of a plan that covers an active employee (and any Dependents) are determined before those of a program which covers an inactive employee (laid-off or retired). However, if one of the plans does not have a provision regarding retired or laid-off employees, this section may not apply. Please contact the Plan at the number below for further instruction.
- E. If a customer is covered under a continuation plan (e.g. COBRA) AND has coverage under another plan, the following determines the order of benefits:
 - 1. The plan that covers the customer as an employee (or Dependent of employee) will be primary;
 - 2. The continuation plan will be secondary.

However, if the plan that covers the person as an employee does not follow these guidelines and the plans disagree about the order of determining benefits, then this

rule may be ignored. Please contact Cigna Dental at the number below for further instructions.

- F. If none of the above rules determines the order of benefits, the plan that has been in effect longer is the primary plan. To determine which plan has been in effect longer, we will take into consideration the coverage you had previously with the same employer, even if it was a different plan, as long as there was no drop in eligibility during the transition between plans.
- G. Workers' Compensation - Should any benefit or service rendered result from a Workers' Compensation Injury Claim, the customer shall assign his/her right to reimbursement from other sources to Cigna Dental or to the Participating Dentist who rendered the service.
- H. When Cigna Dental is primary, we will provide or pay dental benefits without considering any other plan's benefits. When Cigna Dental is secondary, we shall pay the lesser of either the amount that we would have paid in the absence of any other dental coverage, or your total out of pocket cost payable under the primary Dental Plan for benefits covered by Cigna Dental.
- I. Please call Cigna Dental at 1-800-Cigna24 if you have questions about which plan will act as your primary plan or if you have other questions about coordination of benefits.

Additional coordination of benefit rules are attached to the Group Contract and may be reviewed by contacting your Benefit Administrator. Cigna Dental coordinates benefits only for specialty care services.

X. Disenrollment From The Dental Plan – Termination of Benefits

Except for extensions of coverage as otherwise provided in the sections titled "Extension/Continuation of Benefits" or in your Group Contract, disenrollment from the Dental Plan/termination of benefits and coverages will be as follows:

A. For The Group

The Dental Plan is renewable with respect to the Group except as follows:

- 1. for nonpayment of the required Prepayment Fees;
- 2. for fraud or other intentional misrepresentation of material fact by the Group;
- 3. low participation (i.e. less than ten enrollees);
- 4. if the Dental Plan ceases to provide or arrange for the provision of dental services for new Dental Plans in the state; provided, however, that notice of the decision to cease new or existing Dental Plans shall

be provided as required by law at least 180 days prior to discontinuation of coverage; or

- 5. if the Dental Plan withdraws a Group Dental Plan from the market; provided, however, that notice of withdrawal shall be provided as required by law at least 90 days prior to the discontinuation and that any other Dental Plan offered is made available to the Group.

B. For You and Your Enrolled Dependents

The Dental Plan may not be canceled or not renewed except as follows:

- 1. failure to pay the charge for coverage if you have been notified and billed for the charge and at least 30 days have elapsed since the notice of the start of the Grace Period.
- 2. fraud or deception in the use of services or Dental Offices or knowingly permitting such fraud or deception by another.

C. Termination Effective Date

The effective date of the termination for you and/or your Dependents shall be as follows:

- 1. Cigna Dental shall provide written notice of non-receipt of payment on or before the twelfth (12th) day of the month following the month for which Premiums/Prepayment Fees remain due and owing. The Group shall have at least 30 days after the date of the notice of start of the Grace Period for the payment of any Premium/Prepayment Fee. The Contract shall remain in full force and effect during this Grace Period. If the Premium/Prepayment Fees are not remitted by the end of the Grace Period, the Contract will terminate upon the expiration of the Grace Period.
- 2. In the case of failure to meet eligibility requirements enrollment will be canceled as of the date of termination specified in the written notice, provided that at least 15 days have expired since the date of notification.
- 3. On the last day of the month after voluntary disenrollment by you and/or your Dependents.
- 4. Termination of Benefits due to fraud or deception shall be effective as described in the notice of Cancellation, Rescission, or Nonrenewal that will be issued at least 30 days before the cancellation, rescission, or nonrenewal.

D. Effect on Dependents

When one of your Dependents disenrolls, you and your other Dependents may continue to be enrolled. When you are disenrolled, your Dependents will be disenrolled as well.

E. Right to Review

If you believe that your termination from the Dental Plan is due to your dental health status or requirements for dental care services, you may request review of the termination by the Director of the Department of Managed Health Care. Grievances received by the Dental Plan pertaining to cancellations, rescissions, or nonrenewals will be treated in the same manner as expedited grievances.

F. Notice of End of Coverage

If the Group Contract is terminated for any reason described in this section, the notice of End of Coverage of the Group Contract or your coverage under the Group Contract shall be mailed by the Dental Plan to your Group or to you, as applicable. Such notice shall be dated and shall include information about your rights and other information as required by state law.

XI. Continuity Of Care

If you are receiving care from a Network Dentist who has been terminated from the Cigna Dental network, Cigna Dental will arrange for you to continue to receive care from that dentist if the dental services you are receiving are for one of the following conditions:

- (1) an acute condition. An acute condition is a dental condition that involves a sudden onset of symptoms due to an illness, injury, or other dental problem that requires prompt dental attention and that has a limited duration. Completion of the Covered Services shall be provided for the duration of the acute condition.
- (2) newborn children between birth and age 36 months. Cigna Dental shall provide for the completion of Covered Services for newborn children between birth and age 36 months for 12 months from the termination date of the Network Dentist's contract.
- (3) performance of a surgery or other procedure that is approved by Cigna Dental and has been recommended and documented by the terminated dentist to occur within 180 days of the effective date of termination of the dentist's contract.

Cigna Dental is not obligated to arrange for continuation of care with a terminated dentist who has been terminated for medical disciplinary reasons or who has committed fraud or other criminal activities.

In order for the terminated Participating Dentist to continue to care for you, the terminated dentist must comply with the Cigna Dental's contractual and credentialing requirements and must meet the Cigna Dental's standards for utilization review and quality assurance. The terminated dentist must also agree with Cigna Dental to a mutually acceptable rate of payment. If these conditions are not met, Cigna Dental is not required to arrange for continuity of care.

If you meet the necessary requirements for continuity of care as described above, and would like to continue your care with the terminated Dentist, you should call Customer Service.

If you do not meet the requirements for continuity of care or if the terminated dentist refuses to render care or has been determined unacceptable for quality or contractual reasons, Cigna Dental will work with you to accomplish a timely transition to another qualified Network Dentist.

XII. Continuation of Benefits (COBRA)

For Groups with 20 or more employees, federal law requires the employer to offer continuation of benefits coverage for a specified period of time after termination of employment or reduction of work hours, for any reason other than gross misconduct. You will be responsible for sending payment of the required Prepayment Fees to the Group. Additional information is available through your Benefits Representative.

XIII. Individual Continuation Of Benefits

If you are no longer eligible for coverage under your Group's Dental Plan, you and your enrolled Dependents may continue your dental coverage by enrolling in the Cigna Dental conversion plan. You must enroll within 3 months after becoming ineligible for your Group's Dental Plan. Premium payments and coverage will be retroactive to the date coverage under your Group's Dental Plan ended. You and your enrolled Dependents are eligible for conversion coverage unless benefits were discontinued due to:

- permanent breakdown of the dentist-patient relationship;
- fraud or misuse of dental services and/or Dental Offices;
- nonpayment of Prepayment Fees by the Subscriber;
- selection of alternate dental coverage by your Group; or
- lack of network/Service Area.

Benefits and rates for Cigna Dental conversion coverage and any succeeding renewals will be based on the Covered Services listed in the then-current standard conversion plan and may not be the same as those for your Group's Dental Plan. Please call the Cigna Dental Conversion Department at 1-800-Cigna24 to obtain current rates and make arrangements for continuing coverage.

XIV. Confidentiality/Privacy

Cigna Dental is committed to maintaining the confidentiality of your personal and sensitive information. Information about Cigna Dental's confidentiality policies and procedures is made available to you during the enrollment process and/or as part of your customer plan materials. You may obtain additional information about Cigna Dental's confidentiality policies and procedures by calling Customer Service at 1-800-Cigna24, or via the Internet at myCigna.com.

A STATEMENT DESCRIBING CIGNA DENTAL'S POLICIES AND PROCEDURES FOR PRESERVING THE CONFIDENTIALITY OF MEDICAL RECORDS IS AVAILABLE AND WILL BE FURNISHED TO YOU UPON REQUEST.

Confidential Medical Information - Confidential Communication Request

California law prohibits the Healthplan from disclosing to anyone, without express written authorization, a Member (Protected Individual)'s Medical Information or information that indicates the Member received a Sensitive Service.

The Healthplan permits Members to request, and will accommodate requests for, confidential communication in the form and format requested by the Member, if it is readily producible in the requested form and format, or at alternative locations.

The Healthplan permits Members to submit a Confidential Communication Request designating a specific mailing address, email address, and/or telephone number for receiving Healthplan communications containing the Member's Medical Information or any information that indicates the Member received a Sensitive Service. To make a Confidential Communication Request, contact the Healthplan at the phone number or website on the back of your ID card.

The Healthplan must implement a Confidential Communication Request within 7 calendar days of receiving a request that is submitted by electronic transmission or telephone; or within 14 calendar days of receiving a request by first class mail. The Healthplan will, upon request from the Member, acknowledge receipt of the Confidential Communication Request and advise the Member of implementation status.

A Confidential Communication Request applies to all communications that disclose medical information or provider name and address related to receipt of medical services by the Member requesting the confidential communication.

An implemented Confidential Communication Request will be valid until a revocation of the request is submitted, or until a new Confidential Communication request is submitted.

As used here:

- Medical Information is any Individually Identifiable Information, in electronic or physical form, in possession of or derived from a provider of health care, health insurer, pharmaceutical company, or contractor regarding a patient's medical history, mental or physical condition, or treatment.
- Individually Identifiable Information is medical information that includes or contains any element of personal identifying information sufficient to allow identification of the individual, such as the patient's name, address, electronic mail address, telephone number, or social security number, or other information that, alone or in combination with other publicly available information, reveals the individual's identity.
- A Sensitive Service is a health care service related to mental or behavioral health, sexual and reproductive health, sexually transmitted infections, substance use disorder, gender affirming care, and intimate partner violence obtained by a patient of any age or at the minimum age specified for consenting to the service.

XV. Miscellaneous

A. Programs Promoting General Health

As a Cigna Dental plan customer, you may be eligible for various benefits, or other consideration for the purpose of promoting your general health and well being. Please visit our website at myCigna.com for details.

As a Cigna Dental plan customer, you may also be eligible for additional dental benefits during certain episodes of care. For example, certain frequency limitations for dental services may be relaxed for pregnant women. Please review your plan enrollment materials for details.

B. Organ and Tissue Donation

Donating organ and tissue provides many societal benefits. Organ and tissue donation allows recipients of transplants to go on to lead fuller and more meaningful lives. Currently, the need for organ transplants far exceeds availability. The California Health and Safety Code states that an anatomical gift may be made by one of the following ways:

- a document of gift signed by the donor.
- a document of gift signed by another individual and by two witnesses, all of whom have signed at the direction

and in the presence of the donor and of each other and state that it has been so signed.

- a document of gift orally made by a donor by means of a tape recording in his or her own voice.

One easy way individuals can make themselves eligible for organ donation is through the Department of Motor Vehicles (DMV). Every time a license is renewed or a new one is issued to replace one that was lost, the DMV will automatically send an organ donor card. Individuals may complete the card to indicate that they are willing to have their organs donated upon their death. They will then be given a small dot to stick on their driver's license, indicating they have an organ donor card on file. For more information, contact your local DMV office and request an organ donor card.

C. 911 Emergency Response System

You are encouraged to use appropriately the "911" emergency response system, in areas where the system is established and operating, when you have an Emergency Medical Condition that requires an emergency response.

Qualified Medical Child Support Order (QMCSO)

A. Eligibility for Coverage Under a QMCSO

If a Qualified Medical Child Support Order (QMCSO) is issued for your child, that child will be eligible for coverage as required by the order and you will not be considered a Late Entrant for Dependent Insurance.

You must notify your Employer and elect coverage for that child and yourself, if you are not already enrolled, within 31 days of the QMCSO being issued.

B. Qualified Medical Child Support Order Defined

A Qualified Medical Child Support Order is a judgment, decree or order (including approval of a settlement agreement) or administrative notice, which is issued pursuant to a state domestic relations law (including a community property law), or to an administrative process, which provides for child support or provides for health benefit coverage to such child

and relates to benefits under the group health plan, and satisfies all of the following:

1. the order recognizes or creates a child's right to receive group health benefits for which a participant or beneficiary is eligible;
2. the order specifies your name and last known address, and the child's name and last known address, except that the name and address of an official of a state or political subdivision may be substituted for the child's mailing address;
3. the order provides a description of the coverage to be provided, or the manner in which the type of coverage is to be determined;
4. the order states the period to which it applies; and
5. if the order is a National Medical Support Notice completed in accordance with the Child Support Performance and Incentive Act of 1998, such Notice meets the requirements above.

The QMCSO may not require the health insurance policy to provide coverage for any type or form of benefit or option not otherwise provided under the policy, except that an order may require a plan to comply with State laws regarding health care coverage.

C. Payment of Benefits

Any payment of benefits in reimbursement for Covered Expenses paid by the child, or the child's custodial parent or legal guardian, shall be made to the child, the child's custodial parent or legal guardian, or a state official whose name and address have been substituted for the name and address of the child.

Effect of Section 125 Tax Regulations on This Plan

Your Employer has chosen to administer this Plan in accordance with Section 125 regulations of the Internal Revenue Code. Per this regulation, you may agree to a pretax salary reduction put toward the cost of your benefits. Otherwise, you will receive your taxable earnings as cash (salary).

A. Coverage Elections

Per Section 125 regulations, you are generally allowed to enroll for or change coverage only before each annual benefit

period. However, exceptions are allowed if your Employer agrees and you enroll for or change coverage within 30 days of the date you meet the criteria shown in the following Sections B through F.

B. Change of Status

A change in status is defined as:

1. change in legal marital status due to marriage, death of a spouse, divorce, annulment or legal separation;
2. change in number of Dependents due to birth, adoption, placement for adoption, or death of a Dependent;
3. change in employment status of Employee, spouse or Dependent due to termination or start of employment, strike, lockout, beginning or end of unpaid leave of absence, including under the Family and Medical Leave Act (FMLA), or change in worksite;
4. changes in employment status of Employee, spouse or Dependent resulting in eligibility or ineligibility for coverage;
5. change in residence of Employee, spouse or Dependent to a location outside of the Employer's network service area; and
6. changes which cause a Dependent to become eligible or ineligible for coverage.

C. Court Order

A change in coverage due to and consistent with a court order of the Employee or other person to cover a Dependent.

D. Medicare or Medicaid Eligibility/Entitlement

The Employee, spouse or Dependent cancels or reduces coverage due to entitlement to Medicare or Medicaid, or enrolls or increases coverage due to loss of Medicare or Medicaid eligibility.

E. Change in Cost of Coverage

If the cost of benefits increases or decreases during a benefit period, your Employer may, in accordance with plan terms, automatically change your elective contribution.

When the change in cost is significant, you may either increase your contribution or elect less-costly coverage. When a significant overall reduction is made to the benefit option you have elected, you may elect another available benefit option. When a new benefit option is added, you may change your election to the new benefit option.

F. Changes in Coverage of Spouse or Dependent Under Another Employer's Plan

You may make a coverage election change if the plan of your spouse or Dependent: (a) incurs a change such as adding or deleting a benefit option; (b) allows election changes due to

Change in Status, Court Order or Medicare or Medicaid Eligibility/Entitlement; or (c) this Plan and the other plan have different periods of coverage or open enrollment periods.

FDRL70

Eligibility for Coverage for Adopted Children

Any child under the age of 18 who is adopted by you, including a child who is placed with you for adoption, will be eligible for Dependent Insurance upon the date of placement with you. A child will be considered placed for adoption when you become legally obligated to support that child, totally or partially, prior to that child's adoption.

If a child placed for adoption is not adopted, all health coverage ceases when the placement ends, and will not be continued.

The provisions in the "Exception for Newborns" section of this document that describe requirements for enrollment and effective date of insurance will also apply to an adopted child or a child placed with you for adoption.

FDRL6

Group Plan Coverage Instead of Medicaid

If your income and liquid resources do not exceed certain limits established by law, the state may decide to pay premiums for this coverage instead of for Medicaid, if it is cost effective. This includes premiums for continuation coverage required by federal law.

FDRL75

Requirements of Medical Leave Act of 1993 (as amended) (FMLA)

Any provisions of the policy that provide for: (a) continuation of insurance during a leave of absence; and (b) reinstatement of insurance following a return to Active Service; are modified by the following provisions of the federal Family and Medical Leave Act of 1993, as amended, where applicable:

A. Continuation of Health Insurance During Leave

Your health insurance will be continued during a leave of absence if:

- that leave qualifies as a leave of absence under the Family and Medical Leave Act of 1993, as amended; and
- you are an eligible Employee under the terms of that Act.

The cost of your health insurance during such leave must be paid, whether entirely by your Employer or in part by you and your Employer.

B. Reinstatement of Canceled Insurance Following Leave

Upon your return to Active Service following a leave of absence that qualifies under the Family and Medical Leave Act of 1993, as amended, any canceled insurance (health, life or disability) will be reinstated as of the date of your return.

You will not be required to satisfy any eligibility or benefit waiting period or the requirements of any Pre-existing Condition limitation to the extent that they had been satisfied prior to the start of such leave of absence.

Your Employer will give you detailed information about the Family and Medical Leave Act of 1993, as amended.

FDRL74

Uniformed Services Employment and Re-Employment Rights Act of 1994 (USERRA)

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) sets requirements for continuation of health coverage and re-employment in regard to an Employee's military leave of absence. These requirements apply to medical and dental coverage for you and your Dependents. They do not apply to any Life, Short-term or Long-term Disability or Accidental Death & Dismemberment coverage you may have.

A. Continuation of Coverage

For leaves of less than 31 days, coverage will continue as described in the Termination section regarding Leave of Absence.

For leaves of 31 days or more, you may continue coverage for yourself and your Dependents as follows:

You may continue benefits by paying the required premium to your Employer, until the earliest of the following:

- 24 months from the last day of employment with the Employer;
- the day after you fail to return to work; and
- the date the policy cancels.

Your Employer may charge you and your Dependents up to 102% of the total premium.

Following continuation of health coverage per USERRA requirements, you may convert to a plan of individual coverage according to any "Conversion Privilege" shown in your certificate.

B. Reinstatement of Benefits (applicable to all coverages)

If your coverage ends during the leave of absence because you do not elect USERRA or an available conversion plan at the expiration of USERRA and you are reemployed by your current Employer, coverage for you and your Dependents may be reinstated if (a) you gave your Employer advance written or verbal notice of your military service leave, and (b) the duration of all military leaves while you are employed with your current Employer does not exceed 5 years.

You and your Dependents will be subject to only the balance of a Pre-Existing Condition Limitation (PCL) or waiting period that was not yet satisfied before the leave began.

However, if an Injury or Sickness occurs or is aggravated during the military leave, full Plan limitations will apply.

Any 63-day break in coverage rule regarding credit for time accrued toward a PCL waiting period will be waived.

If your coverage under this plan terminates as a result of your eligibility for military medical and dental coverage and your order to active duty is canceled before your active duty service commences, these reinstatement rights will continue to apply.

FDRL58

Claim Determination Procedures Under ERISA Procedures Regarding Medical Necessity Determinations

In general, health services and benefits must be Medically Necessary to be covered under the plan. The procedures for determining Medical Necessity vary, according to the type of service or benefit requested, and the type of health plan.

You or your authorized representative (typically, your health care provider) must request Medical Necessity determinations

according to the procedures described below, in the Certificate, and in your provider's network participation documents as applicable.

When services or benefits are determined to be not Medically Necessary, you or your representative will receive a written description of the adverse determination, and may appeal the determination. Appeal procedures are described in the Certificate, in your provider's network participation documents, and in the determination notices.

Postservice Medical Necessity Determinations

When you or your representative requests a Medical Necessity determination after services have been rendered, Cigna will notify you or your representative of the determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request.

If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed. The determination period will be suspended on the date Cigna sends such a notice of missing information, and the determination period will resume on the date you or your representative responds to the notice.

FDRL64

Postservice Claim Determinations

When you or your representative requests payment for services which have been rendered, Cigna will notify you of the claim payment determination within 30 days after receiving the request. However, if more time is needed to make a determination due to matters beyond Cigna's control, Cigna will notify you or your representative within 30 days after receiving the request. This notice will include the date a determination can be expected, which will be no more than 45 days after receipt of the request. If more time is needed because necessary information is missing from the request, the notice will also specify what information is needed, and you or your representative must provide the specified information within 45 days after receiving the notice. The determination period will be suspended on the date Cigna sends such a notice of missing information, and resume on the date you or your representative responds to the notice.

Notice of Adverse Determination

Every notice of an adverse benefit determination will be provided in writing or electronically, and will include all of

the following that pertain to the determination: (1) the specific reason or reasons for the adverse determination; (2) reference to the specific plan provisions on which the determination is based; (3) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary; (4) a description of the plan's review procedures and the time limits applicable, including a statement of a claimant's rights to bring a civil action under section 502(a) of ERISA following an adverse benefit determination on appeal; (5) upon request and free of charge, a copy of any internal rule, guideline, protocol or other similar criterion that was relied upon in making the adverse determination regarding your claim, and an explanation of the scientific or clinical judgment for a determination that is based on a Medical Necessity, experimental treatment or other similar exclusion or limit; and (6) in the case of a claim involving urgent care, a description of the expedited review process applicable to such claim.

FDRL36

COBRA Continuation Rights Under Federal Law

For You and Your Dependents

What is COBRA Continuation Coverage?

Under federal law, you and/or your Dependents must be given the opportunity to continue health insurance when there is a "qualifying event" that would result in loss of coverage under the Plan. You and/or your Dependents will be permitted to continue the same coverage under Basic Benefits which you or your Dependents were covered on the day before the qualifying event occurred, unless you move out of that plan's coverage area or the plan is no longer available. You and/or your Dependents cannot change coverage options until the next open enrollment period.

When is COBRA Continuation Available?

For you and your Dependents, COBRA continuation is available for up to 18 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your termination of employment for any reason, other than gross misconduct, or
- your reduction in work hours.

For your Dependents, COBRA continuation coverage is available for up to 36 months from the date of the following qualifying events if the event would result in a loss of coverage under the Plan:

- your death;
- your divorce or legal separation; or
- for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Who is Entitled to COBRA Continuation?

Only a “qualified beneficiary” (as defined by federal law) may elect to continue health insurance coverage. A qualified beneficiary may include the following individuals who were covered by the Plan on the day the qualifying event occurred: you, your spouse, and your Dependent children. Each qualified beneficiary has their own right to elect or decline COBRA continuation coverage even if you decline or are not eligible for COBRA continuation.

The following individuals are not qualified beneficiaries for purposes of COBRA continuation: domestic partners, same sex spouses, grandchildren (unless adopted by you), stepchildren (unless adopted by you). Although these individuals do not have an independent right to elect COBRA continuation coverage, if you elect COBRA continuation coverage for yourself, you may also cover your Dependents even if they are not considered qualified beneficiaries under COBRA. However, such individuals’ coverage will terminate when your COBRA continuation coverage terminates. The sections titled “Secondary Qualifying Events” and “Medicare Extension For Your Dependents” are not applicable to these individuals.

FDRL85

Secondary Qualifying Events

If, as a result of your termination of employment or reduction in work hours, your Dependent(s) have elected COBRA continuation coverage and one or more Dependents experience another COBRA qualifying event, the affected Dependent(s) may elect to extend their COBRA continuation coverage for an additional 18 months (7 months if the secondary event occurs within the disability extension period) for a maximum of 36 months from the initial qualifying event. The second qualifying event must occur before the end of the initial 18 months of COBRA continuation coverage or within the disability extension period discussed below. Under no circumstances will COBRA continuation coverage be available for more than 36 months from the initial qualifying event. Secondary qualifying events are: your death; your

divorce or legal separation; or, for a Dependent child, failure to continue to qualify as a Dependent under the Plan.

Disability Extension

If, after electing COBRA continuation coverage due to your termination of employment or reduction in work hours, you or one of your Dependents is determined by the Social Security Administration (SSA) to be totally disabled under title II or XVI of the SSA, you and all of your Dependents who have elected COBRA continuation coverage may extend such continuation for an additional 11 months, for a maximum of 29 months from the initial qualifying event.

To qualify for the disability extension, all of the following requirements must be satisfied:

1. SSA must determine that the disability occurred prior to or within 60 days after the disabled individual elected COBRA continuation coverage; and
2. A copy of the written SSA determination must be provided to the Plan Administrator within 60 calendar days after the date the SSA determination is made AND before the end of the initial 18-month continuation period.

If the SSA later determines that the individual is no longer disabled, you must notify the Plan Administrator within 30 days after the date the final determination is made by SSA. The 11-month disability extension will terminate for all covered persons on the first day of the month that is more than 30 days after the date the SSA makes a final determination that the disabled individual is no longer disabled.

All causes for “Termination of COBRA Continuation” listed below will also apply to the period of disability extension.

Medicare Extension for Your Dependents

When the qualifying event is your termination of employment or reduction in work hours and you became enrolled in Medicare (Part A, Part B or both) within the 18 months before the qualifying event, COBRA continuation coverage for your Dependents will last for up to 36 months after the date you became enrolled in Medicare. Your COBRA continuation coverage will last for up to 18 months from the date of your termination of employment or reduction in work hours.

FDRL21

Termination of COBRA Continuation

COBRA continuation coverage will be terminated upon the occurrence of any of the following:

- the end of the COBRA continuation period of 18, 29 or 36 months, as applicable;

- failure to pay the required premium within 30 calendar days after the due date;
- cancellation of the Employer's policy with Cigna;
- after electing COBRA continuation coverage, a qualified beneficiary enrolls in Medicare (Part A, Part B, or both);
- after electing COBRA continuation coverage, a qualified beneficiary becomes covered under another group health plan, unless the qualified beneficiary has a condition for which the new plan limits or excludes coverage under a pre-existing condition provision. In such case coverage will continue until the earliest of: (a) the end of the applicable maximum period; (b) the date the pre-existing condition provision is no longer applicable; or (c) the occurrence of an event described in one of the first three bullets above; or
- any reason the Plan would terminate coverage of a participant or beneficiary who is not receiving continuation coverage (e.g., fraud).

FDRL22

V1

Employer's Notification Requirements

Your Employer is required to provide you and/or your Dependents with the following notices:

- An initial notification of COBRA continuation rights must be provided within 90 days after your (or your spouse's) coverage under the Plan begins (or the Plan first becomes subject to COBRA continuation requirements, if later). If you and/or your Dependents experience a qualifying event before the end of that 90-day period, the initial notice must be provided within the time frame required for the COBRA continuation coverage election notice as explained below.
- A COBRA continuation coverage election notice must be provided to you and/or your Dependents within the following timeframes:
 - (a) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the loss of coverage, 44 days after loss of coverage under the Plan;
 - (b) if the Plan provides that COBRA continuation coverage and the period within which an Employer must notify the Plan Administrator of a qualifying event starts upon the occurrence of a qualifying event, 44 days after the qualifying event occurs; or
 - (c) in the case of a multi-employer plan, no later than 14 days after the end of the period in which Employers

must provide notice of a qualifying event to the Plan Administrator.

How to Elect COBRA Continuation Coverage

The COBRA coverage election notice will list the individuals who are eligible for COBRA continuation coverage and inform you of the applicable premium. The notice will also include instructions for electing COBRA continuation coverage. You must notify the Plan Administrator of your election no later than the due date stated on the COBRA election notice. If a written election notice is required, it must be post-marked no later than the due date stated on the COBRA election notice. If you do not make proper notification by the due date shown on the notice, you and your Dependents will lose the right to elect COBRA continuation coverage. If you reject COBRA continuation coverage before the due date, you may change your mind as long as you furnish a completed election form before the due date.

Each qualified beneficiary has an independent right to elect COBRA continuation coverage. Continuation coverage may be elected for only one, several, or for all Dependents who are qualified beneficiaries. Parents may elect to continue coverage on behalf of their Dependent children. You or your spouse may elect continuation coverage on behalf of all the qualified beneficiaries. You are not required to elect COBRA continuation coverage in order for your Dependents to elect COBRA continuation.

FDRL23

How Much Does COBRA Continuation Coverage Cost?

Each qualified beneficiary may be required to pay the entire cost of continuation coverage. The amount may not exceed 102% of the cost to the group health plan (including both Employer and Employee contributions) for coverage of a similarly situated active Employee or family member. The premium during the 11-month disability extension may not exceed 150% of the cost to the group health plan (including both employer and employee contributions) for coverage of a similarly situated active Employee or family member. For example:

If the Employee alone elects COBRA continuation coverage, the Employee will be charged 102% (or 150%) of the active Employee premium. If the spouse or one Dependent child alone elects COBRA continuation coverage, they will be charged 102% (or 150%) of the active Employee premium. If more than one qualified beneficiary elects COBRA continuation coverage, they will be charged 102% (or 150%) of the applicable family premium.

When and How to Pay COBRA Premiums

First payment for COBRA continuation

If you elect COBRA continuation coverage, you do not have to send any payment with the election form. However, you must make your first payment no later than 45 calendar days after the date of your election. (This is the date the Election Notice is postmarked, if mailed.) If you do not make your first payment within that 45 days, you will lose all COBRA continuation rights under the Plan.

Subsequent payments

After you make your first payment for COBRA continuation coverage, you will be required to make subsequent payments of the required premium for each additional month of coverage. Payment is due on the first day of each month. If you make a payment on or before its due date, your coverage under the Plan will continue for that coverage period without any break.

Grace periods for subsequent payments

Although subsequent payments are due by the first day of the month, you will be given a grace period of 30 days after the first day of the coverage period to make each monthly payment. Your COBRA continuation coverage will be provided for each coverage period as long as payment for that coverage period is made before the end of the grace period for that payment. However, if your payment is received after the due date, your coverage under the Plan may be suspended during this time. Any providers who contact the Plan to confirm coverage during this time may be informed that coverage has been suspended. If payment is received before the end of the grace period, your coverage will be reinstated back to the beginning of the coverage period. This means that any claim you submit for benefits while your coverage is suspended may be denied and may have to be resubmitted once your coverage is reinstated. If you fail to make a payment before the end of the grace period for that coverage period, you will lose all rights to COBRA continuation coverage under the Plan.

FDRL24

V2

You Must Give Notice of Certain Qualifying Events

If you or your Dependent(s) experience one of the following qualifying events, you must notify the Plan Administrator within 60 calendar days after the later of the date the qualifying event occurs or the date coverage would cease as a result of the qualifying event:

- Your divorce or legal separation;

- Your child ceases to qualify as a Dependent under the Plan; or
- The occurrence of a secondary qualifying event as discussed under “Secondary Qualifying Events” above (this notice must be received prior to the end of the initial 18- or 29-month COBRA period.

(Also refer to the section titled “Disability Extension” for additional notice requirements.)

Notice must be made in writing and must include: the name of the Plan, name and address of the Employee covered under the Plan, name and address(es) of the qualified beneficiaries affected by the qualifying event; the qualifying event; the date the qualifying event occurred; and supporting documentation (e.g., divorce decree, birth certificate, disability determination, etc.).

Newly Acquired Dependents

If you acquire a new Dependent through marriage, birth, adoption or placement for adoption while your coverage is being continued, you may cover such Dependent under your COBRA continuation coverage. However, only your newborn or adopted Dependent child is a qualified beneficiary and may continue COBRA continuation coverage for the remainder of the coverage period following your early termination of COBRA coverage or due to a secondary qualifying event. COBRA coverage for your Dependent spouse and any Dependent children who are not your children (e.g., stepchildren or grandchildren) will cease on the date your COBRA coverage ceases and they are not eligible for a secondary qualifying event.

Trade Act of 2002

The Trade Act of 2002 created a new tax credit for certain individuals who become eligible for trade adjustment assistance and for certain retired Employees who are receiving pension payments from the Pension Benefit Guaranty Corporation (PBGC) (eligible individuals). Under the new tax provisions, eligible individuals can either take a tax credit or get advance payment of 72.5% of premiums paid for qualified health insurance, including continuation coverage. If you have questions about these new tax provisions, you may call the Health Coverage Tax Credit Customer Contact Center toll-free at 1-866-628-4282. TDD/TYY callers may call toll-free at 1-866-626-4282. More information about the Trade Act is also available at www.doleta.gov/tradeact.

In addition, if you initially declined COBRA continuation coverage and, within 60 days after your loss of coverage under

the Plan, you are deemed eligible by the U.S. Department of Labor or a state labor agency for trade adjustment assistance (TAA) benefits and the tax credit, you may be eligible for a special 60 day COBRA election period. The special election period begins on the first day of the month that you become TAA-eligible. If you elect COBRA coverage during this special election period, COBRA coverage will be effective on the first day of the special election period and will continue for 18 months, unless you experience one of the events discussed under “Termination of COBRA Continuation” above. Coverage will not be retroactive to the initial loss of coverage. If you receive a determination that you are TAA-eligible, you must notify the Plan Administrator immediately.

Interaction With Other Continuation Benefits

You may be eligible for other continuation benefits under state law. Refer to the Termination section for any other continuation benefits.

Discretionary Authority

The Plan Administrator delegates to Cigna the discretionary authority to interpret and apply plan terms and to make factual determinations in connection with its review of claims under the plan. Such discretionary authority is intended to include, but not limited to, the determination of the eligibility of persons desiring to enroll in or claim benefits under the plan, the determination of whether a person is entitled to benefits under the plan, and the computation of any and all benefit payments. The Plan Administrator also delegates to Cigna the discretionary authority to perform a full and fair review, as required by ERISA, of each claim denial which has been appealed by the claimant or his duly authorized representative.

Plan Modification, Amendment and Termination

The Employer as Plan Sponsor reserves the right to, at any time, change or terminate benefits under the Plan, to change or terminate the eligibility of classes of employees to be covered by the Plan, to amend or eliminate any other plan term or condition, and to terminate the whole plan or any part of it. The procedure by which benefits may be changed or terminated, by which the eligibility of classes of employees may be changed or terminated, or by which part or all of the Plan may be terminated, is contained in the Employer's Plan Document, which is available for inspection and copying from the Plan Administrator designated by the Employer. No consent of any participant is required to terminate, modify, amend or change the Plan.

Termination of the Plan together with termination of the insurance policy(s) which funds the Plan benefits will have no adverse effect on any benefits to be paid under the policy(s)

for any covered medical expenses incurred prior to the date that policy(s) terminates. Likewise, any extension of benefits under the policy(s) due to you or your Dependent's total disability which began prior to and has continued beyond the date the policy(s) terminates will not be affected by the Plan termination. Rights to purchase limited amounts of life and medical insurance to replace part of the benefits lost because the policy(s) terminated may arise under the terms of the policy(s). A subsequent Plan termination will not affect the extension of benefits and rights under the policy(s).

Your coverage under the Plan's insurance policy(s) will end on the earliest of the following dates:

- the last day of the calendar month in which you leave Active Service;
- the date you are no longer in an eligible class;
- if the Plan is contributory, the date you cease to contribute;
- the date the policy(s) terminates.

See your Plan Administrator to determine if any extension of benefits or rights are available to you or your Dependents under this policy(s). No extension of benefits or rights will be available solely because the Plan terminates.

Statement of Rights

As a participant in the plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

- examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure room of the Employee Benefits Security Administration.
- obtain, upon written request to the Plan Administrator, copies of documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) and updated summary plan description. The administrator may make a reasonable charge for the copies.
- receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each person under the Plan with a copy of this summary financial report.

Continue Group Health Plan Coverage

- continue health care coverage for yourself, your spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this summary plan description and the documents governing the Plan on the rules governing your federal continuation coverage rights.
- reduction or elimination of exclusionary periods of coverage for preexisting conditions under your group health plan, if you have creditable coverage from another plan. You should be provided a certificate of creditable coverage, free of charge, from your group health plan or health insurance issuer when you lose coverage under the plan, when you become entitled to elect federal continuation coverage, when your federal continuation coverage ceases, if you request it before losing coverage, or if you request it up to 24 months after losing coverage. Without evidence of creditable coverage, you may be subject to a preexisting condition exclusion for 12 months (18 months for late enrollees) after your enrollment date in your coverage.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied or ignored you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Enforce Your Rights

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court.

In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example if it finds your claim is frivolous.
