Important Questions	Answers	Why This Matters:
<a href="#">What is the overall deductible?</a>	\$0	See the Common Medical Events chart below for your costs for services this <a href="#">plan</a> covers.
<a href="#">Are there services covered before you meet your deductible?</a>	Yes. <a href="#">Preventive care</a> and services listed in your complete terms of coverage.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at <a href="https://healthcare.gov/coverage/preventive-care-benefits">healthcare.gov/coverage/preventive-care-benefits</a> .
<a href="#">Are there other deductibles for specific services?</a>	No	You don't have to meet <a href="#">deductibles</a> for specific services.
<a href="#">What is the out-of-pocket limit for this plan?</a>	For <a href="#">participating providers</a> \$6,350 individual / \$12,700 family	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<a href="#">What is not included in the out-of-pocket limit?</a>	Premiums, <a href="#">balance-billing</a> charges and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
<a href="#">Will you pay less if you use a network provider?</a>	Yes. See <a href="http://www.simnsa.com">www.simnsa.com</a> or call 1-800-424-4652 for a list of <a href="#">network providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's charge</a> and what your <a href="#">plan</a> pays (a <a href="#">balance bill</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
<a href="#">Do you need a referral to see a specialist?</a>	Yes	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
